CHANGE IN STAKEHOLDER COMMENT DUE DATES

Dear Stakeholders:

The Air Quality Division of the City of Albuquerque's Environmental Health Department is proposing that the Albuquerque-Bernalillo County Air Quality Control Board amend regulation **20.11.2 NMAC, *Fees***. We are interested in your input as a stakeholder and would appreciate your review and comments prior to finalizing the draft. The Stakeholder Review Draft is available on the Air Quality Division's web site at http://www.cabq.gov/airquality/regulation-development/stakeholder-review-drafts.

A stakeholder meeting to present and review the current draft will be held on Tuesday, July 20, 2010, from 4:00 pm – 6:00 pm at the Los Griegos Family and Community Center, 1231 Candelaria NW, Albuquerque, NM 87107. Your attendance and participation would be appreciated.

You received a letter earlier this month requesting written comments by July 13, which was an error on my part. In order for your comments to be addressed at the July 20 meeting, preliminary comments can be submitted as late as July 19. Please submit your comments via e-mail to jcwright@cabq.gov, or by mail to c/o Janice Wright, City of Albuquerque, Environmental Health Dept., P.O. Box 1293, Albuquerque, NM 87103.

Thank you for your interest in this matter, and we look forward to hearing from you and/or seeing you at the meeting.

Sincerely,

Janice C. Wright
