INTEROFFICE MEMORANDUM

TO: Mary Lou Leonard, Director, Environmental Health
Margaret Nieto, Control Strategies Manager, Environmental Health Department

FROM: Debbie O'Malley, City Councilor, District 2

SUBJECT: Proposed changes to the NMAC Fees

DATE: September 10, 2010

CC: Laura Mason, Director, City Council

Regarding proposed changes to the NMAC Fees, I believe future fees should be adjusted based on the prior year's change in the Consumer Price Index (CPI) or some other relevant, recognized index but without a cap. Imposing a cap defeats the purpose and put us in the same predicament of playing catch up down the road where revenues collected do not cover costs.
