

### City of Albuquerque Aviation Department

### **FY 2011 DBE OVERALL GOALS**

July 2010

ACDBELO – Cara MacNinch
City of Albuquerque - Aviation Department
Albuquerque International Sunport (ABQ)
PO Box 9948
Albuquerque, NM 87119-1048

Telephone No: 505-244-7716

Fax No: 505-244-7793

Email Address: <a href="mailto:cmacninch@cabq.gov">cmacninch@cabq.gov</a>

FAA Overall Goals (§26.45)

Name of Recipient: City of Albuquerque - Aviation Department

Goal Period: October 1, 2010 through September 30, 2011

DOT-Assisted Contract Amount: \$12,930,904

**DBE Goal: 9.64%** 

Number and Type of Projects for this FY:

1. Albuquerque International Sunport - Design and Construction of GA Apron

2. Double Eagle II – Electronic Airport Layout Plan

Market Area: The market area was determined to be Market Area One. Geographical Area One is located in the central portion of New Mexico and is comprised of the following counties: Sandoval, Santa Fe, Bernalillo, Valencia, and Los Alamos. A substantial majority, approximately 55 percent, of contractors that perform work at the City of Albuquerque – Aviation Department are from the counties that make up Geographical Area One. A map and breakout of the market areas can be seen as an attachment.

### Analysis

Project: Design and Construction of GA Apron

Amount: \$12,780,904

Step One: The method used to calculate the relative availability of the DBE's for Step One in this process utilizes 26.45(c)(1) DBE Directories and Census Bureau Data. The base figure was determined by dividing the total number of DBE firms in the local market area by the total of all firms in the market area.

TABLE 1
PROJECT ONE: DESIGN AND CONSTRUCTION OF GA APRON

NAICS Code	Work Item	DBE's in Market Area	All Available Firms	Total Amount	Weight Factor
2373/237	Heavy Construction	14	245	\$10,810,852	84.59%
238	Markings, Specialty Contractors	14	1729	\$ 94,500	0.74%
48411	Trucking	5	38	\$ 1,727,952	13.52%
541620	Environmental/Geotechnical	4	76	\$ 40,000	0.31%
23821	Electrical	2	319	\$ 107,600	0.84%
	Total	39	2407	\$12,780,904	100.00%

Source: County Business Patterns and NMDOT DBE Directory

The construction estimate for this project is \$12,780,904. Of that amount, \$10,810,852 or 84.59% is anticipated for heavy construction; \$94,500 or 0.74% is anticipated for specialty

contractors; \$1,727,952 or 13.52% is anticipated for trucking; \$40,000 or 0.31% is anticipated for environmental; and \$107,600 or 0.84% is anticipated for electrical.

Therefore, the baseline DBE goal for this contract was weighed so that it would more accurately reflect the potential DBE participation as shown below.

HC=Heavy Construction

T=Trucking

E= Electrical

M=Markings

G/E= Geotechnical/ Environmental

Project One Base Figure = HC (%) x # DBE in Local Market (HC) + # All Firms (HC)

M/S (%) x # DBE in Local Market (M/S) + T (%) x # DBE in Local Market (T) + # All Firms (T) # All Firms (M/S)

E (%) x # DBE in Local Market (E) + G/E (%) x # DBE in Local Market (G/E) + # All Firms (G/E) # All Firms (E)

Project One Base Figure = .8459(14/245) + .0074(14/1729) + .1352(5/38) + .0031(4/76) +.0084(2/319)

Project One Base Figure = 6.64%

Double Eagle II – Electronic Airport Layout Plan

Amount: \$150,000

Step One: The method used to calculate the relative availability of the DBE's for Step One in this process utilizes 26.45(c)(1) DBE Directories and Census Bureau Data. The base figure was determined by dividing the total number of DBE firms in the local market area by the total of all firms in the market area.

> TABLE 2 PROJECT TWO: AIRFIELD LIGHTING IMPROVEMENTS

NAICS Code	Work Item	DBE's in Market Area	All Available Firms	Total Amount	Weight Factor
54137	Surveying	2	74	\$50,000	33.33%
541330	Engineering Services	6	295	\$100,000	66.67%
	Total	8	369	\$150,000	100.00%

Source: County Business Patterns and NMDOT DBE Directory

The construction estimate for this project is \$150,000. Of that amount, \$50,000 or 33.33% is anticipated for Surveying; and \$100,000 or 66.67% is anticipated for engineering.

Therefore, the baseline DBE goal for this contract was weighed so that it would more accurately reflect the potential DBE participation as shown below.

S=Surveying

E= Engineering Services

### Project Two Base Figure =

Project Two Base Figure = .3333(2/74) + .6667(6/295)

### Project Two Base Figure = 2.26%

**Step Two:** This step is intended to adjust the base figure percentage calculated in Step One to reflect as accurately as possible the DBE participation that the City of Albuquerque – Aviation Department would expect in the absence of discrimination.

We have considered all of the other factors, which include the current capacity of DBE's to perform work in the DOT-assisted program. We also considered the available evidence from related fields that affect the opportunities for DBE firms to form, grow, and compete. In our research, none of the previously mentioned factors require an adjustment to the base figure.

Our base figure is not the goal of another recipient and therefore was not considered as an adjustment factor.

In our research, we discovered that a disparity study was completed for the City of Albuquerque by B.B.C. Research, out of Denver, Colorado, in 1995. Though the City of Albuquerque is within our market area, this information is outdated and is not considered as an adjustment factor.

There have been two similar projects at the City of Albuquerque – Aviation Department. Table 3 reflects the overall and achieved goals for each project.

TABLE 3
CITY OF ALBUQUERQUE – AVIATION DEPARTMENT PAST PARTICIPATION

AIP Number	Description	Overall Goal	Achieved Goal
3-35-0002-009-2004	Runway Rehabilitation	7.75%	0.5%
3-35-0003-020-1997	Runway Rehabilitation	10%	20.24%

Due to the similarity of the subcontracting possibilities between the past projects, past participation is going to be considered as an adjustment factor.

Past participation will be accounted for by taking the historical average (10.37%) of the achieved goals, adding it to the base figure for FY 2011 (8.90%), and dividing by two.

Overall Adjusted Goal = 8.90% (Base Figure) + 10.37% (Achieved Goal)

2

Overall Adjusted Goal = 9.64%

The proposed overall goal for the City of Albuquerque - Aviation Department can be seen below.

### City of Albuquerque – Aviation Department Proposed Overall Goal = 9.64%

### Breakout of Estimated Race-Neutral and Race-Conscious Participation (§26.51 (b) (1-9))

The City of Albuquerque – Aviation Department will meet the maximum feasible portion of its overall goal by using race-neutral means of facilitating DBE participation. The City of Albuquerque – Aviation Department uses the following race-neutral means to increase DBE participation: By arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in a way to facilitate DBE and other small businesses' participation (e.g., requiring and/or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces).

The following is a summary of the basis of our estimated breakout of race-neutral and race-conscious DBE participation. As can be seen from Table 3, the DBE goal was not achieved for similar projects and subcontracting opportunities. Therefore, the City of Albuquerque – Aviation Department estimates that in meeting its overall goal of 9.64%, we will obtain 9.64% from race-neutral participation and 0% from race-conscious participation.

The City of Albuquerque – Aviation Department will adjust the estimated breakout of race-neutral and race-conscious DBE participation as needed to reflect actual DBE participation and track and report race-neutral and race-conscious participation separately. For reporting purposes, race-neutral DBE participation includes, but is not necessarily limited to, the following: DBE participation through a prime contract obtained through customary competitive procurement procedures; DBE participation through a subcontract on a prime contract that does not carry a DBE goal, DBE participation on a prime contract exceeding a contract goal, and DBE participation through a subcontract from a prime contractor that did not consider a firm's DBE status in making the award.

#### Public Participation

#### Consultation

In an effort to establish a level playing field, the following organizations were contacted:

- Greater Albuquerque Chamber of Commerce
- Albuquerque Small Business Administration

The overall goal adopted for this year (FY 2011) was developed while consulting with the above-named firms. Letters were sent out to the above-named firms on July 16, 2010. Copies of the letters can be seen at the end of this attachment. All comments are due back by August 16, 2010.

### Public Notice

The proposed goal and rationale was advertised in the <u>Albuquerque Journal</u>, 7777 Jefferson NE, Albuquerque, NM 87109, 505-823-3800.

### Sample Public Notice Language:

Disadvantaged Business Enterprise (DBE) Goals for Federal Fiscal Year 2011

The City of Albuquerque – Aviation Department hereby announces its fiscal year 2011 DBE Goal of 9.64% for airport construction projects. The proposed goal and goal-setting methodology are available for inspection between 8:00 a.m. and 5:00 p.m., Monday through Friday, for a period of 30 days following the date of this notice at the Albuquerque International Sunport, Aviation Department, 2200 Sunport Blvd. SE, Albuquerque, New Mexico 87106. The fiscal year 2010 DBE goals will also available for viewing on the internet at <a href="http://www.cabq.gov/airport/">http://www.cabq.gov/airport/</a>.

The Aviation Department will accept comments on the DBE goals for 45 days from the date of this notice. Comments can be sent to either of the following:

DBELO
Cara M. MacNinch
Business Development
City of Albuquerque — Aviation Department
Albuquerque International Sunport
P.O. Box 9948
Albuquerque, NM 87119-1048

Federal Aviation Administration Civil Rights Staff, ASW-9C 2601 Meacham Boulevard Fort Worth, TX 76137-4298

### Contract Goals

The City of Albuquerque – Aviation Department will use contract goals to meet any portion of the overall goal that the recipient does not project being able to meet using race-neutral means. Contract goals are established so that, over the period to which the overall goal applies, they will cumulatively result in meeting any portion of the recipient's overall goal that is not projected to be met through the use of race-neutral means.

The City of Albuquerque – Aviation Department will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. It need not establish a contract goal on every such contract, and the size of the contract goals will be adapted to the circumstances of each such contract (e.g., type and location of work and availability of DBE's to perform the particular type of work).

The City of Albuquerque – Aviation Department will express its contract goals as a percentage of the total amount of DBE-assisted contract.

ATTACHMENT TWO PUBLIC NOTICE

Disadvantaged Business Enterprise (DBE) Goals for Federal Fiscal Year 2011

The City of Albuquerque – Aviation Department hereby announces its fiscal year 2011 DBE Goal of 9.64% for airport construction projects. The proposed goal and goal setting methodology are available for inspection between 8:00 a.m. and 5:00 p.m. Monday through Friday for a period of 30 days following the date of this notice at the Albuquerque International Sunport, Aviation Department, 2200 Sunport Blvd. SE, Albuquerque, New Mexico 87106. The fiscal year 2009 DBE goals will also available for viewing on the internet at <a href="http://www.cabq.gov/airport/">http://www.cabq.gov/airport/</a>.

The Aviation Department will accept comments on the DBE goals for 45 days from the date of this notice. Comments can be sent to either of the following:
