Re: 20.11.100 NMAC, *Motor Vehicle Inspection-Decentralized*

Dear Interested Parties,

The Air Quality Division has released the public review draft of 20.11.100 NMAC, *Motor Vehicle Inspection-Decentralized*, which is available for your review and comments, and can be found at http://www.cabq.gov/airquality/aqcb/documents/vpmd-exhibit1a20-11-100nmnac-prd.pdf . A hearing on the matter of proposed amendments to 20.11.100 NMAC, *Motor Vehicle Inspection- Decentralized* is scheduled to take place on May 11, 2011.

Stakeholder comments that were received resulted in the addition of language to permit conditions for mobile test units that limits application to on-site testing of fleets and at dealer lots. A second modification adds language that allows stations and inspectors to mark, stamp or affix stickers to the official test document with the prior approval of the VPMD program manager.

PO Box 1293

Albuquerque

NM 87103

www.cabq.gov

Consideration of EPA comments resulted in changing the five-year new car exemption back to four years, reinserting language requiring annual testing of marginal pass vehicles, and delaying implementation of diesel testing until after the new ozone standard is established. Diesel testing is proposed to commence on January 1st of the year following EPA approval of more stringent ozone or particulate matter standard rather than July 1, 2011 as previously proposed.

Anyone intending to present technical testimony at this hearing is required by 20.11.82.20 NMAC to submit a written Notice Of Intent to testify (NOI) before 5:00 pm on April 26, 2011 to Attn: Neal Butt, Albuquerque Environmental Health Department, P.O. Box 1293, Albuquerque, NM 87103, or you may deliver your NOI to the Environment Health Department, Suite 3023, 3rd Floor, One Civic Plaza (400 Marquette Avenue NW). The NOI shall: 1. identify the person for whom the witness or witnesses will testify; 2. identify each technical witness the person intends to present and state the qualifications of that witness, including a description of their educational and work background; 3. summarize or include a copy of the direct testimony of each technical witness and state the anticipated duration of the testimony of that witness; 4. include the text of any recommended modification to the proposed regulatory change; and 5. list and describe, or attach, all exhibits anticipated to be offered by that person at the hearing, including any proposed statement of reasons for adopting of rules.

In addition, written comments to be incorporated into the public record for this hearing should be received at the above P.O. Box, or Environmental Health Department office, before 5:00 pm on May 4, 2011. Comments shall include the name and address of the individual or organization submitting the statement. Written comments may also be

submitted electronically to nbutt@cabq.gov and shall include the required name and address information. Interested persons may obtain a copy of the proposed regulation at the Environmental Health Department office, or by contacting Neal Butt electronically at nbutt@cabq.gov or by phone (505) 768-2660, or by downloading a copy from the City of Albuquerque Air Quality Division website http://www.cabq.gov/airquality/aqcb/documents/vpmd-exhibit1a20-11-100nmnac-prd.pdf.

Proposed amendments are scheduled to go to public hearing before the Air Quality Control Board on May 11, 2011 with a projected effective date of July 1, 2011.

Please contact Neal Butt at nbutt@cabq.gov or 768-2660 if you have any questions.
