Follow Up Flag: Follow up
Flag Status: Green

Good Afternoon Neal,

Thanks again for the opportunity to review this draft revision. EPA Region 6 has no comments, it looks like a very thorough incorporation of the revised federal rule into 20.11.4 NMAC.

As always, your promptness in developing this revision is appreciated!

---

Jeff,

Attached is the EPA Review Draft of 20.11.4 NMAC, General Conformity. The Air Quality Division intends on filing the Petition to Amend this rule on 11/23/10, and to go to hearing on 2/9/11. Please review and comment by November 15, 2010.

Thank you

Neal

The mind is not a vessel that needs filling, but wood that needs igniting.

Subject: Publication of Final Rule - Revisions to the General Conformity Regulations

Good Morning,

Today, EPA has published a final rule revising the General Conformity regulations. This action will become effective on July 6, 2010. The Federal Register notice and accompanying fact sheet are attached below.

Please pass this information along to any interested parties. Thanks!
