

**NOTICE OF PUBLIC INFORMATION HEARING FOR PROPOSED AIR QUALITY  
CONSTRUCTION PERMIT APPLICATION #1529-M3  
FOR ALBUQUERQUE METALS RECYCLING, INC.  
METALS RECYCLING FACILITY**

A Public Information Hearing (hearing) will be held on Tuesday, September 13, 2016 from 6:00 p.m. to 8:30 p.m. at the Mountain View Community Center, 201 Prosperity Ave SE, Albuquerque, NM 87105. The purpose of the hearing is to provide information and answer questions regarding the proposed Air Quality Construction Permit Modification Application #1529-M3 for the Albuquerque Metals Recycling, Inc. (Albuquerque Metals) metals recycling facility. The location was chosen to accommodate the significant public interest that has been expressed in this matter.

Albuquerque Metals has submitted a Construction Permit Application to the Air Quality Program (Program) of the City of Albuquerque Environmental Health Department, for a proposed modification to their existing Air Quality Permit #1529-M2. The facility is located at 3339 2<sup>nd</sup> St SW in Albuquerque, New Mexico. A modification to the construction permit is required before Albuquerque Metals can add new equipment to the facility.

The maximum air pollution emissions to the atmosphere from this facility have been estimated to be: Total Suspended Particulates (TSP): 3.74 lb/hr, 16.4 tpy; 10 Micron Particulate Matter (PM<sub>10</sub>): 1.99 lb/hr, 8.70 tpy, 2.5 Micron Particulate Matter (PM<sub>2.5</sub>): 1.86 lb/hr, 8.15 tpy; Volatile Organic Compounds (VOC): 0.02 lb/hr, 0.07 tpy.

Representatives for Albuquerque Metals will speak regarding the proposed Construction Permit Modification Application. Program staff will be available to answer questions regarding the review process for air quality permits and the status of Albuquerque Metals Construction Permit Modification Application #1529-M3. The public will have an opportunity to voice concerns and submit data or arguments, orally or in writing, for the public record regarding the application. Those who wish to do so at the September 13, 2016 hearing should sign the registry upon their arrival at the hearing. A hearing officer will direct the proceedings and is authorized to limit the length of the testimony.

Program staff will consider relevant testimony and documentation submitted at the hearing before making a decision on the Construction Permit Application.

The hearing is open to the public. Information regarding the hearing and the application can be found on the City of Albuquerque website at <https://www.cabq.gov/airquality/events/albuquerque-metals-recycling-public-information-hearing>. A summary of the Construction Permit Application file is available for review at the Program offices, which are located at One Civic Plaza, Room 3047. For information regarding the application file, call 505-768-1972 or email [reyerman@cabq.gov](mailto:reyerman@cabq.gov).

**NOTICE TO DISABLED PERSONS:** If you have a disability and require special assistance to participate at this hearing, please contact 311; TTY users contact 1-800-659-1779, as soon as possible prior to the hearing.
