

**NOTICE OF PUBLIC INFORMATION HEARING FOR PROPOSED  
AUTHORITY TO CONSTRUCT  
AIR QUALITY PERMIT APPLICATION #3104  
FOR SOUTHWAY CONSTRUCTION COMPANY, INC.  
PORTABLE AGGREGATE RECYCLE PLANT**

A Public Information Hearing (hearing) will be held on Wednesday, September 25, 2013 from 5:30 p.m. to 7:30 p.m. at the Mountain View Community Center, 201 Prosperity Ave. SE, Albuquerque, NM 87105. The purpose of the hearing is to provide information and answer questions regarding a proposed authority-to-construct permit for Southway Construction Company, Inc. (Southway Construction). The location was chosen to accommodate the significant public interest that has been expressed in this matter.

Southway Construction has submitted an authority-to-construct air quality permit application to the Air Quality Division (Division) of the City of Albuquerque Environmental Health Department for a new permit. This permit is for a portable 500 tons/hr aggregate/recycle plant to be located at Duke City Redi-Mix LLC, 7711 Broadway SE in Albuquerque, New Mexico. The owner of this facility is Southway Construction, 117 White Pine Drive, Alamosa, CO 81101. This application file has been assigned Air Quality Permit Application #3104.

The maximum air pollution emissions to the atmosphere from this facility have been estimated to be:

Carbon Monoxide (CO) – 4.49 pounds per hour (lbs/hr) – 9.81 tons per year (tpy), Nitrogen Oxides (NO<sub>x</sub>) – 19.6 lbs/hr – 42.8 tpy, Sulfur Oxides (SO<sub>x</sub>) – 6.61 lbs/hr – 14.4 tpy, Total Suspended Particulates (TSP) – 34.0 lbs/hr – 74.5 tpy, 10 Micron Particulate Matter (PM<sub>10</sub>) – 16.1 lbs/hr – 33.9 tpy, 2.5 Micron Particulate Matter (PM<sub>2.5</sub>) – 5.05 lbs/hr – 11.04 tpy, Volatile Organic Compounds (VOC) – 0.58 lbs/hr – 1.26 tpy

Representatives for Southway Construction will speak regarding the proposed Air Quality Permit Application. The public will have an opportunity to voice concerns, submit data or arguments, orally or in writing, for the public record regarding the application. Division staff will be available to answer questions regarding the review process for air quality permits and the status of the Southway Construction Air Quality Permit Application #3104. Community members who wish to testify at the September 25, 2013 hearing should sign the registry upon their arrival at the hearing. A hearing officer will direct the proceedings and is authorized to limit the length of the testimony.

Division staff will consider relevant testimony and documentation submitted at the hearing before making a decision on the Air Quality Permit Application.

The hearing is open to the public. A copy of the permit application is available for inspection by the public at the Division offices, which are located at One Civic Plaza, Room 3047. For information regarding the application file, call 768-1972.

**NOTICE TO DISABLED PERSONS:** If you have a disability and require special assistance to participate at this hearing, please contact 311; TTY users contact 1-800-659-8331, as soon as possible prior to the hearing.
