

NATURE BINGO CONTEST RULES

Wild about Nature

Watch episodes of NATURE in October and November and visit the Albuquerque BioPark's Zoo or Aquarium for clues.

Drawing to take place at the end of November.

Win great prizes including: DVD of NATURE, passes to an Aquarium overnight, KNME membership, stickers and more!

To enter, participants will need to watch NATURE on KNME Sundays at 7:00pm or Thursdays at 8:00pm in October and November, and visit the Albuquerque BioPark to answer the questions on the BINGO card. Five answers in a row—across, down, or diagonally—gets you Nature Bingo!

Don't miss this fun-filled opportunity to learn more about animals and the world around us. Get *Wild about Nature!*

For more information, call 505-277-2121, or visit knme.org and cabq.gov/biopark starting October 1st!

Turn in your card by November 30th to be eligible for prizes. Drop off or mail cards to:

KNME
1130 University Blvd NE
Albuquerque, NM 87102

How big is the Namib Desert?	Do adult alligators have stripes?	How big is a humpback whale at birth?	Is an eel a snake or a fish?	How fast can an African rhino run?
What does shark skin feel like?	How long is an adult Black Mamba?	What is one way wolves communicate?	What state is home for Cloud and his herd?	What color is a polar bear's skin?
Where are rhinos found?	How long are the crocodiles that Rom Whitaker considers "supersized"?	What can an elephant do with its trunk?	What's another word for raptors?	How do hippos protect their newborn?
How long can a bald eagle's talons be?	What is the winter home of humpback whales?	How many cheetahs are left in the wild?	Why are Black Mambas so feared?	How big do sharks get?
What is the greatest danger for the foals of Cloud's band?	What is one thing you can do to help save the oceans?	What is the name of the desert that is home to desert lions?	How many toes does a white rhino have on each foot?	How fast can a peregrine falcon fly?

Bold Questions: Answers can be found at the Albuquerque BioPark's Zoo or Aquarium. **Questions:** Answers can be found by watching NATURE on KNME. Five answers in a row—across, down, or diagonally—gets you Nature Bingo!
