On September 18, 2012, Doug Crandall, agent for Manuel Aragon appeared before the Interim Hearing Officer, Stanley D. Harada for a variance of 279 square feet to the 5,000 square feet for a proposed lot at 109 Garfield SE. The application was inadvertently advertised as being at the location of 1114 Commercial St SE, and was amended at the hearing to the correct address of 109 Garfield SE.

**SUMMARY:**

1. Mr. Crandall testified that his client is requesting a variance of 279 square feet to the required 5,000 square for a proposed lot at 109 Garfield SE.
2. Mr. Crandall testified that the property is located within the boundaries of the South Broadway Sector Development Plan.
3. Mr. Crandall testified that Mr. Aragon's property was originally zoned R-2 and had the zone changed to SU-2/MR IN 1986 when the South Broadway Sector Development Plan was adopted.
4. The SU-2/MR zone allows uses allow R-1 uses as a permissive use and R-2 uses conditionally.
5. Mr. Crandall testified that there currently 2 dwelling units at the western portion of the lot and a large vacant area on the eastern portion.
6. Mr. Crandall testified that his client would like to re-plat the lot and build a new residence on the vacant, eastern part of the lot.
7. Mr. Crandall testified that the two existing residences that will remain on their own lot will be in compliance with the SU-2/MR zoning regulations.
8. MR Crandall testified the parcel is exceptional because it is much larger than the lots that are in the near vicinity.
9. Mr. Crandall also testified that the parcel is an irregular in shape with the three lots creating an l shaped lot.
10. Mr. Crandall testified the lot is also not as deep as the other larger lots in the vicinity.
11. Mr. Crandall would allow a single family development on a lot that is similar to the other lots in the vicinity.

12. Mr. Crandall testified the spirit of the Zoning Code would be maintained by providing the same number of lots allowed as a conditional use request.
13. Mr. Crandall testified that he feels that the criteria for approving a variance request has been met and his applicant does not ask that financial loss be a determining factor in the Zoning Hearing Examiner's decision.

**FINDINGS:**

Doug Crandall agent for Manual Aragon has met the burden for a variance of 12.5' to the 50' lot width for a proposed lot at 109 Garfield SE.
