

JOSE MARTINEZ (YOLANDA MONTOYA, SAGENT) request(s) a special exception to PSection P. 100 C.: a VARIANCE of 5' to the E25' front yard setback area requirement for a proposed two story building on all or a portion of Lot(s) 24A, Block(s) 12, ABRIGHT & MOORE ADDN zoned S-R, located at 1417 6TH ST NW (J-14)

Special Exception No:	10ZHE-80257
Project No:	Project# 1008429
Hearing Date:	08-17-10
Closing of Public Record:	08-17-10
Date of Decision:	

STATEMENT OF FACTS: The applicant, Jose Martinez, requests a variance of 5' to the 25' front yard setback area requirement for a proposed two story building. Yolanda Montoya, agent for the applicant, testified that the proposed request is for a single family dwelling. She stated that the first floor meets all setback requirements; however, the second floor does not. She indicated that the lot is exceptional because it is smaller than other lots in the area. The proposed dwelling unit will be approximately 2, 824 sq ft. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity due to its irregular size and, therefore, it meets the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.
