Section 5. **Journal.** The City Council shall keep a journal of the proceedings. The journal shall be maintained by the Clerk of the Council and shall be open to inspection at all convenient times.

(2) The enacting clause of proposed resolutions and memorials shall be: "BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF ALBUQUERQUE".

(3) Bills may be introduced by any Councilor at any regular meeting of the City Council, provided that any bill to be submitted for a regular City Council meeting must be presented in both hard copy and on a DOS formatted diskette or compact disc (cd) to the Clerk of the Council prior to 10:00 a.m. on the Tuesday preceding the next regular City Council meeting. The Director of Council Services shall prepare a list of introductions to be delivered to the Councilors on the Wednesday preceding the next regular City Council meeting.

(4) For bills which are to be referred to Committee, the introductions shall state the Committee(s) to which the President proposes to refer each bill. Bills which are not referred to Committee shall be considered for final action no earlier than the next regular City Council meeting after the meeting at which they are introduced. Notwithstanding the above, a bill may be considered for immediate action at the meeting at which it is introduced provided that a majority of the City Council votes in the affirmative to introduce and place the bill on the agenda for final action; and provided the notice required in Section I.5 has been given and an emergency as defined in Section I.5.D is declared. If a bill is introduced with a request for immediate action but fails to receive the necessary affirmative votes to consider it, or is not moved for consideration during the meeting at which it was introduced, the bill shall receive a referral to the appropriate standing Committee and shall be placed on the agenda of the next meeting of that Committee. A bill which has been referred to a Committee may be withdrawn from the Committee by an affirmative vote of a majority of all Councilors and upon such withdrawal shall be placed on the agenda for final action at the next regular meeting of the City Council, unless the bill carries an additional Committee referral, or unless a majority of all Councilors vote affirmatively to refer it to another Committee. A bill with multiple Committee referrals may be forwarded sequentially from Committee to Committee without returning to the City Council, provided each Committee notifies the President of the Committee's recommendations and that the bill has been forwarded.

(5) Acceptance of a "do pass," "do pass, as amended", "without recommendation", "without recommendation, as amended", "substituted", or "substituted, as amended" Committee report, or rejection of a "do not pass" Committee report shall, unless the bill carries an additional Committee referral, result in the bill being placed on the agenda for final passage at the next regular meeting of the City Council unless it is unanimously recommended by the Committee to which the bill has been referred that the bill be placed on the agenda for final action at the meeting at which the Committee report is considered. Acceptance of a "do not pass" Committee report or rejection of a "do pass", "do pass, as amended", "without recommendation" or "without recommendation, as amended" Committee report shall result in failure of the bill; provided, however, that the City Council, by a vote of at least four Councilors, may place a bill that has received a "do not pass" Committee report on the agenda of the next regular Council meeting.

(6) No bill shall be so altered or amended on its passage so as to change its original purpose.

(7) If a majority of a quorum of the Councilors present at the City Council meeting vote in favor of adopting a bill, it is adopted.

(8) Any bill which is not adopted by the City Council within one year from the date of its introduction shall be deemed to have "died on expiration," and no further action shall be taken by the Council or its committees on the bill. Bills which are deemed "died on expiration" may be reintroduced under a new bill number pursuant to the provisions of subsections (1) through (7) of this section.

(9) Any bill which is not adopted but pending at the end of the tenure of a City Councilor shall be deemed "died on expiration of tenure".

B. When a bill would adopt a plan, the following sequence shall apply to City Council hearings:

(1) Prior to the first Committee hearing, the public notice (ref. Sec. 14-13-1-4(D) ROA 1994) shall state how the plan may be obtained or examined and shall encourage written comments;

(2) At the Committee hearing, the public shall be invited to make comments and protests, preferably in writing;

(3) The Department which has sent the plan to the Mayor and City Council shall write a response on each protest. The Department's response shall be presented to the Committee at a meeting subsequent to the presentation of protests; the response shall contain a summary of the protest and a recommendation of any plan amendment which seems appropriate, based on the protest;

(4) The protester may briefly comment to the Committee on the response;

(5) Subsequent to this process the Committee shall move amendments to the plan if it finds such to be appropriate;

(6) The full City Council may also make plan amendments at the City Council meetings on the plan; and

(7) If the plan has not been heard by Committee, the City Council will follow the entire sequence above.

C. The titles of bills shall be styled as follows:

(1) Titles of bills which require studies for or reports to the City Council shall include the phrase "REQUIRING REPORT."

(2) Titles of bills which require the appointment of a committee, task force, board, commission or other similar official City panel shall include the phrase "CREATING PANEL."

The transmittal memo that accompanies Administration bills which include elements listed above shall emphasize the inclusion of those elements.

Section 7. **Amendments/Floor Substitutes.** Any bill may be amended. However, amendments for the operating budget and capital improvements program shall have special procedures. Any amendment to the operating budget or capital improvements program shall require submission to Council staff five (5) working days prior to Committee-of-the-Whole mark-up and two (2) working days prior to final adoption. The amendments shall be distributed to all Councilors prior to each meeting. Any floor substitute for the operating budget and capital improvements program shall require submission to Council staff three (3) working days prior to final adoption and shall be made available to all Councilors twenty-four (24) hours prior to the meeting at which the substitute bill will be heard.

Section 8. **Approvals.**

A. Approvals are defined as that class of City Council action in which the City Council as the Governing Body shall make the final determination upon the recommendation of the Mayor or upon the recommendation of, or appeals from, a duly authorized board or commission of City government. Those items requiring approval of the City Council shall include but not be limited to: appeals from the Environmental Planning Commission, Board of Appeals for Zoning Special Exceptions, Development Review Board and Landmarks and Urban Conservation Commission; improvement district matters including protest; appointments to boards and commissions; real property acquisitions and dispositions, and purchases. Approvals other than appeals are termed executive communications or City Council communications.

B. Appeals of Land Use Regulation Decisions.

(1) Appeal procedures and special majorities required shall be as specified in applicable ordinances. (See the Zoning Code, Section 14-16-4-4 ROA 1994.

(2) Notice for any appeal hearing by the full City Council shall be given at a regular meeting or Committee meeting of the City Council at least two weeks prior to the meeting when the hearing is held. An appeal to the City Council, which is not referred to Committee, shall be heard at an announced

hearing no earlier than the next regular meeting of the City Council following the City Council meeting at which the appeal is received.

(3) Impacts of Committee Actions.

(a) The following actions on Committee reports shall result in the appeal being placed on the agenda for hearing at a meeting of the City Council at least two weeks following: acceptance of a recommendation that an appeal "be heard" or rejection of a recommendation that an appeal "not be heard", that "withdrawal be approved" or that the appeal "be remanded".

(b) The following actions on Committee reports shall result in rejection of the appeal: acceptance of a recommendation that an appeal "not be heard" or rejection of a recommendation that an appeal "be heard".

(c) The following actions on Committee reports shall end City Council consideration of the appeal: acceptance of a recommendation that "withdrawal be approved" or that the appeal "be remanded", or rejection of a recommendation that "withdrawal not be approved".

(4) Time allowed for appeal hearings shall be as follows:

(a) The sequence and normal maximum times allowed shall be as follows:

- 8 minutes for appellant;
- 10 minutes for party opponent(s) of the appeal;
- 3 minutes for city staff, unless that staff spoke as opponents;
- 2 minutes for appellant rebuttal; discussion among Councilors.

(b) If there are no party opponents of the appellant, the appealed board or commission is allowed up to 8 minutes in the appeal hearing.

(c) The City Council may combine separate appeals of the same action, in which case each appeal will receive an equal share of the appellant's time. The Presiding Councilor shall indicate in advance the division of opponent time if more than one private party is shown by the record to be in opposition.

(d) The Presiding Councilor shall follow the above maximum times unless, based on the complexity of the issues, the Presiding Councilor gives notice of differing times to all parties. In all cases, the maximum time available to proponents and opponents shall be equal, in accordance with the pattern in (a) above.

(e) The parties shall decide on the speakers to use the time assigned to the appellant and the opponents of the appeal.

(5) Evidence:

(a) The City Council will make its decision and findings exclusively on the record of the decision appealed supplemented by any evidence (offerings of fact or proof) allowed to be presented and matters officially noticed.

1) New evidence may be accepted in accordance with the rules herein.

2) Councilors' questions on whether evidence should be admitted can be answered. The Presiding Officer should keep any such questions and answers brief.

3) If the City Council determines that certain additional evidence proposed to the City Council is necessary and appropriate for the proper disposition of the matter it may take evidence or appoint a Hearing Officer to take such evidence as it may direct and report the same to the City Council with the Hearing Officer's findings as to the significance of that evidence, which evidence and findings shall constitute a part of the proceedings upon which the determination of the City Council shall be made.

4) New evidence which could have been put in the record during the previous hearing(s) is not favored for introduction at a City Council hearing. New evidence which clarifies evidence already in the record may be allowed. New evidence which is offered to contradict evidence in the record may be allowed; if such evidence appears convincing and is on an important point, it can justify remand. Other new evidence offered on an important factual matter will rarely be allowed; such new evidence when tendered can justify remand even if it is not allowed by the City Council. The above are not the exclusive bases for remand. If new evidence is allowed, it shall be restricted to a type and subject deemed appropriate by the City Council.

5) When a hearing will be expedited and the interest of the parties will not be prejudiced substantially, the City Council may vote to accept specific items of evidence in written form; the fact that the author of written evidence is not present for cross examination does not disallow

its admission unless the City Council or City Council Hearing Officer rules that such absence makes the particular evidence inappropriate.

(b) Witnesses shall be sworn: "Do you swear (or affirm) that you will tell the truth, the whole truth, and nothing but the truth?" Attorneys may testify on their attorney's oath.

(c) Cross-examination of witnesses is allowed concerning the evidence and opinions they have presented in testimony to the City Council in order to disclose facts truly and fully. Cross-examination questions may be asked only by parties to the appeal. Any such questions shall be asked immediately following the witnesses' testimony. Questions may be asked by an adverse party or the party's attorney or representative of record. Improper questions will be disallowed by the Presiding Officer. The Presiding Officer may restate questions to the witness and may require that questions be addressed to the Presiding Officer. The Presiding Officer will rule irrelevant questions and unnecessarily long answers out of order.

(6) With regard to any appeal that has been filed with and is pending before the City Council:

(a) *Communication with Parties.* No Councilor shall communicate outside a hearing with a party or representative of the party about the appeal, and no party or representative of a party shall communicate outside a hearing with a Councilor about the appeal. Any facts or documents not in the record before the City Council when the appeal is filed are subject to the rules regarding new evidence that are set forth herein;

(b) *Communication with Persons other than Parties.* No Councilor shall knowingly communicate with a member of the public or an organization about the subject of the appeal, and persons or organizations not parties to the appeal shall not communicate with any Councilor about the subject of the appeal and attempt to influence the outcome of the appeal. Information and correspondence that is not in the record at the time the appeal is filed is not evidence and should not be considered in making a decision regarding the outcome of the appeal unless accepted as new evidence.

(c) Any correspondence regarding the subject of an appeal that is an *ex parte* communication and is inadvertently received by a Councilor shall be delivered to the Clerk of the Council and be available for review by the parties. Any correspondence received by Council Services regarding the subject of an appeal shall be held by the Clerk of the Council and not distributed to the Councilors until the City Council has finally decided the appeal and the time for filing an appeal of the City Council decision has run. All such correspondence shall be available for review by the parties upon request.

(d) Notwithstanding the above, staff of the Council Services and other City departments (other than employees of a City department which is the appellant or appellee, or employees who have a personal or pecuniary interest in the outcome of the appeal) may, upon the request of a Councilor, communicate with that Councilor at any time and by any means. Copies of any written materials from City staff shall be distributed to all parties.

(7) A Councilor or City Council Hearing Officer shall withdraw from any proceedings in which he or she has a direct or indirect financial conflict of interest or otherwise cannot accord a fair and impartial hearing.

(8) Votes on appeals shall be as follows:

(a) In Committee, no action has been taken until a motion has been adopted by a majority of the Committee members present.

(b) At a meeting of the City Council, an action to grant or deny an appeal must be in accordance with Section 14-16-4-4(E)(5) of the Zoning Code. A motion to defer is adopted by a majority of the Councilors present.

(c) A motion to remand is adopted by five (5) or more votes.

C. Executive Communications.

(1) Executive communications may be withdrawn by a memo from the Mayor prior to City Council action with the approval of the City Council. Executive communications may not be amended.

(2) Appointments.

a. Executive Communication appointments shall be sent to the City Council separately for individual consideration. An appointment, which is not referred to Committee, shall be considered at the next regular meeting of the City Council, except appointments to the Environmental Planning Commission, the Zoning Board of Appeals, and the Landmarks and Urban Conservation Commission shall be considered by the Land Use, Planning and Zoning Committee of the City Council.

b. The following City Council actions on Committee reports shall result in the appointment being placed on the agenda for approval at the next regular meeting of the City Council unless it is unanimously recommended by the Committee to whom the appointment has been referred that the appointment be placed on the agenda for approval at the meeting at which the Committee report is considered: acceptance of a recommendation that an

appointment "be confirmed" or rejection of a recommendation that an appointment "not be confirmed".

(3) Other Approvals. An approval which is not an appeal or an appointment and which is not referred to committee shall be considered no earlier than the next regular City Council meeting following introduction.

(4) Any approval which is not adopted by the City Council within one year from the date of its conveyance to the City Council shall be deemed "died on expiration," and no further action shall be taken by the Council or its committees on the approval.

Section 9. **Motions.** No motion shall be entertained or debated until announced by the President, and every motion shall be seconded. When a question is before the City Council, only the following motions shall be entertained and such motions shall have precedence in the following order:

- (1) To adjourn *
- (2) To recess *
- (3) To reconsider
- (4) To table *
- (5) To move the previous question (call for the question) *
- (6) To postpone to a certain time (to defer up to 90 days)
- (7) To commit or recommit to a committee
- (8) To amend or substitute
- (9) To postpone indefinitely

*not debatable and cannot be amended

Motions to amend or substitute shall be made in writing. A motion to adjourn, to recess, to table, or to move the previous question shall be decided without debate, and cannot be amended. A motion to table means that there is no set time for taking the matter up again but its consideration must be resumed prior to adjournment of that meeting. A motion to move the previous question must be approved by three-fourths of those present and voting, and it may apply to only the immediately pending question, or it may be qualified to apply consecutively to all of any series of motions beginning with the immediately pending question. All other motions shall be debatable. A motion to adjourn when no time shall be fixed, shall mean an adjournment to the next regular meeting of the City Council. A motion to postpone to a certain time (to defer) may be made for a period not to exceed three months. The President may, at his or her discretion, recognize a Councilor on a point of personal privilege or parliamentary inquiry.

Section 10. **Debate.** Any Councilor wishing to speak, debate, make a motion, submit a report or conduct other business shall address the President and shall not proceed further until recognized by the President. If two or more

Councilors seek recognition at the same time, the President shall name the one who shall speak first. The Councilor who sponsors a bill or motion shall have the privilege of opening and closing debate upon the same. A Councilor may direct an inquiry and receive a response without yielding the floor. No Councilor shall be permitted to speak more than once on any motion until every Councilor desiring to be heard has been allowed to speak. Nor shall any Councilor, except the sponsor of a bill or motion, speak more than a total of ten minutes on any motion. No Councilor shall be interrupted when speaking, nor shall any motion be in order until he or she has concluded, and no question shall be asked of him or her, except those directed through the President with the consent of the Councilor.

Section 11. **Voting.** Except for the election of City Council officers, City Council appointees, or the Director of Council Services, voting shall be in the form of "Yes" or "No". Any action on a question is lost by a tie vote. A record shall be entered in the journal of the voting by each Councilor on all action on any bill, resolution, memorial, Mayor's appointment or other act, and on any other question when called for by any two Councilors prior to the taking of the vote. The record shall also be entered in the journal of any Councilor on any other question coming before the City Council when so requested by the Councilor. Every Councilor who is within the Vincent E. Griego Chambers shall vote upon each question, except that any Councilor who has a private direct financial interest in any matter pending before the City Council shall disclose such private interest and shall be disqualified from participating in any debate, decision or vote relating thereto. Such disclosure shall be entered in the journal, and the record will show the Councilor making such a disclosure as having abstained from participating in any debate, decision or vote relating thereto. A Councilor shall be allowed to change his or her vote, but only before the result has been announced. A Councilor may be permitted to explain his or her vote, but only after the roll call has been completed and the result has been announced.

A Councilor may request to vote by telephone or other similar device when a medical or emergency situation exists. A request for such voting privileges must be made to the President of the Council who shall determine whether a medical or emergency situation exists. Such voting can only take place upon the approval of the President of the Council and provided that the Councilor who has been granted such voting privileges can be heard on a speaker to enable the Council and the audience to determine when the Councilor is speaking and casting a vote.

Section 12. **Confirmation.** The question of confirmation of the Chief Administrative Officer shall be referred to a Committee-of-the-Whole for hearing. An affirmative vote of a majority of all Councilors shall be required for confirmation of the Chief Administrative Officer. An affirmative vote of a majority of the Councilors present shall be required for confirmation of members of the public boards, commissions and committees.

Section 13. **Appointments.** Whenever the City Council is required to appoint members of any public body, the Councilors shall consider this matter under the order of business "Other Business" at any City Council meeting, and at that time, each Councilor may nominate one person. At the next regularly scheduled meeting of the City Council, the matter shall be placed on the agenda under the order of "Other Business." All nominees shall be invited to attend.

A ballot shall be prepared containing the names of each candidate. The balloting shall be by preferential balloting wherein each Councilor indicates the order of his or her preferences with the numeral "1" for his or her first preference, the numeral "2" for his or her second preference, and so on for every possible choice. After the ballots are marked, the total numerals shall be added for each candidate and the candidate whose total is the lowest shall be declared the winner.

If more than one similar position is to be filled on any particular body, the necessary number of candidates with the lowest number of votes shall be declared winners.

In the event of a tie, there shall be a runoff among those candidates having the lowest totals. The runoff shall be conducted by preferential balloting in the manner described herein.

Section 14. **Veto.** In the event of a veto by the Mayor of all or a part of any ordinance, resolution, or other act passed by the City Council, the veto message of the Mayor shall be entered in the journal together with the date of return of the same to the City Council by the Mayor. An ordinance, resolution, or other act may be approved, notwithstanding a veto by the Mayor, by two-thirds of the entire membership of the City Council, at the next regularly scheduled meeting of the City Council after return of same to the City Council by the Mayor.

Section 15. **Reconsideration.** Any Councilor recorded as having voted with the prevailing side on any question may move at the same meeting to reconsider the question. A motion to reconsider shall require the affirmative vote of a majority of all Councilors present.

Section 16. **Rescinded Action.** No vote or action of the City Council shall be rescinded at any special meeting unless there be present at such special meeting as many members of the City Council as were present at the meeting when such vote or action was taken.

Section 17. **Appeal of President's Decision.** An appeal may be made on any decision of the President, in which event the Councilor appealing shall state his or her reason therefore, to which the President may respond. Such appeals shall be acted upon immediately and no motion, other than a motion to

adjourn, shall be entertained until the question has been decided. A vote of a majority of the Councilors present shall be required to sustain an appeal.

Section 18. **Personal Privilege.** Any Councilor may, as a matter of personal privilege, personally speak for not more than ten minutes upon matters which may affect the City Council, its rights, its dignity and the integrity of its proceedings, or the rights, reputation and conduct of individual Councilors in their official capacities only.

Section 19. **Decorum.** Councilors or other speakers shall confine their remarks to the question under discussion or debate, avoiding personalities. No Councilor shall engage in private discourse or commit any other act tending to distract the attention of the City Council from the business before it.

Section 20. Any Councilor leaving a City Council or Committee meeting early, with the exception of an unexpected illness or emergency, shall make the Presiding Councilor aware of such departure as early as is possible, so that allowances in scheduling business can be made. Any Councilor leaving a Committee meeting when the departure will cause a loss of quorum shall make every effort to secure an alternate Councilor to sit on the Committee.

Section 21. **Staff.**

A. Selection of the Director of Council Services. When a vacancy occurs in the position of Director of Council Services, the selection panel designated by and including the President of the City Council shall initiate recruitment, screening and interviewing of candidates and shall submit the name of one qualified candidate to the full City Council for final selection. The Director of Council Services shall be selected by an affirmative vote of two-thirds of all Councilors.

B. Director. The Director of Council Services shall, after consultation with the President and the members of the Internal Operations Committee, hire, have charge of, and see that all employees of the City Council perform their respective duties and shall have general control of the City Council Office.

C. Rules of Confidentiality. Neither the Director nor any other employee of the Council Services shall reveal to any person outside of the service the content or nature of any request or statement for service made by a Councilor, except with the consent of the Councilor making such request or statement. No member of the City Council staff shall urge or oppose any legislation, nor give to any member of the City Council advice concerning the economic, social or political effect of any bill or proposed bill except upon the request of such member. This, however, does not restrict or preclude City

Council staff from providing staff reports of, analyses of, and amendments to, proposed legislation, appropriations and appeals.

D. Campaign Activity Prohibited. Council Services employees shall not engage in any political campaign activity during work hours or using office resources to support or oppose a candidate for public office. During the normal course of business, City Councilors shall not request Council Services employees to perform any activity, the purpose of which is to support or oppose a candidate for public office. Examples of prohibited activities include but are not limited to drafting campaign press releases, conducting opposition research or research on issues primarily related to a campaign, scheduling campaign appearances, drafting campaign-related correspondence and taking campaign-related phone calls except to refer callers to the campaign office. Nothing herein, however, shall be construed as prohibiting any City Council Services staff member from exercising his or her First Amendment right privately to express an opinion or cast a vote. Any member of the Council Services staff who believes that a request by a Councilor is in violation of this policy shall inform the Director of Council Services who shall have an obligation to investigate the complaint and if necessary present the findings to the Council or its appropriate committee.

Section 22. **Monthly Expense Report.** The Director of Council Services shall provide to the Council on a monthly basis an accounting of all Council Services revenues and expenditures.

Section 23. **Allocation of Councilor Expenses.** Each Councilor shall be allocated a maximum annual amount of \$5,000 for Council related to discretionary constituent outreach, including but not limited to mailing and travel expenses. The annual amount shall be calculated for the period of December 1 through November 30 of the following year, provided however, that this rule shall become effective on July 1, 2004, and the annual amount for each Councilor shall be prorated for the period from July 1, 2004 to November 30, 2004.

Section 24. **Land Use Hearing Officer Rules of Procedure and Qualifications**

Pursuant to Section 14-16-4-4 ROA 1994 (the Appeal section of the Zoning Code), the Council is to adopt rules of procedure and regulations setting forth the qualifications for the Land Use Hearing Officer. The following rules are adopted for appeals of land use decisions other than appeals involving a zone map amendment:

1. Notice for any appeal hearing by the Land Use Hearing Officer (“Hearing Officer”) shall be given at the City Council meeting at which the appeal is introduced or at least two weeks prior to the hearing held by the Hearing Officer.

2. The sequence and the time allowed for appeal hearings shall be as follows:

- 25 minutes for appellant;
- 30 minutes for party opponent(s) of the appeal;
- 10 minutes for city staff, unless that staff spoke as opponents;
- 5 minutes for appellant rebuttal.

3. The Hearing Officer may combine separate appeals of the same action, in which case each appeal will receive an equal share of the appellants' time. The Hearing Officer shall indicate in advance the division of opponent time if more than one private party is shown by the record to be in opposition.

4. The Hearing Officer shall follow the above maximum times unless, based on the complexity of the issues, the Hearing Officer gives notice of differing times to all parties. In all cases, the maximum time available to proponents and opponents shall be equal, in accordance with the pattern above.

5. The parties shall decide on the speakers to use the time assigned to the appellant and the opponents of the appeal.

6. Evidence:

(A) The Hearing Officer shall make his or her decision and findings on the record of the decision appealed supplemented by any evidence allowed to be presented and matters officially noticed.

(B) If the Hearing Officer determines that certain additional evidence proposed is necessary and appropriate for the proper disposition of the matter he or she may take that evidence.

(C) New evidence which could have been put in the record during the previous hearing(s) is not favored for introduction at a Hearing Officer hearing. New evidence which clarifies evidence already in the record may be allowed. New evidence which is offered to contradict evidence in the record may be allowed; if such evidence appears convincing and is on an important point, it can justify the recommendation of a remand. If new evidence is allowed, it shall be restricted to a type and subject deemed admissible by the Hearing Officer.

(D) When a hearing will be expedited and the interest of the parties will not be prejudiced substantially, the Hearing Officer may accept specific items of evidence in written form; the fact that the author of written evidence is not present for cross examination does not disallow its admission unless the Hearing Officer rules that such absence makes the particular evidence inappropriate.

(E) Witnesses shall be sworn: "Do you swear (or affirm) that you will tell the truth, the whole truth, and nothing but the truth?" Attorneys may testify on their attorney's oath.

(F) Cross-examination of witnesses is allowed concerning the evidence and opinions they have presented in testimony to the Hearing Officer in order to disclose facts truly and fully. Cross-examination questions may be asked only by parties to the appeal. Any such questions shall be asked immediately following the witnesses' testimony. Questions may be asked by an adverse party or the party's attorney or representative of record. Improper questions will be disallowed by the Hearing Officer and the Hearing Officer may impose reasonable time limits on cross-examination. The Hearing Officer may restate questions to the witness and may require that questions be addressed to the Hearing Officer. The Hearing Officer will rule irrelevant questions and unnecessarily long answers out of order.

7. With regard to any appeal that has been filed with and is pending before the City Council and referred to the Hearing Officer:

(A) Communication with Parties. No City Councilor shall communicate outside a hearing with a party or representative of a party about an appeal, and no party or representative of a party shall communicate outside a hearing with a Councilor about an appeal. Any facts or documents not in the record before the City Council when an appeal is filed are subject to the rules regarding new evidence that are set forth herein.

(B) Communication with Persons other than Parties. No Councilor shall knowingly communicate with a member of the public or an organization about the subject of the appeal, and persons or organizations not parties to the appeal shall not communicate with any Councilor about the subject of the appeal and/or attempt to influence the outcome of the appeal. Information and correspondence that is not in the record at the time the appeal is filed is not evidence and should not be considered in making a decision regarding the outcome of the appeal unless accepted as new evidence.

(C) Communication Between Hearing Officer and Councilor. No Councilor shall knowingly communicate with the Hearing Officer about the subject of a pending appeal, and the Hearing Officer shall not communicate with any Councilor about the subject of a pending appeal other than by written findings and recommended decision as set forth herein.

(D) Communication with Parties by Hearing Officer. The Hearing Officer shall not communicate outside a hearing with a party or representative of a party about an appeal, and no party or representative of a party shall communicate outside a hearing with the Hearing Officer about an appeal. Any

facts or documents not in the record before the Hearing Officer when an appeal is filed are subject to the rules regarding new evidence that are set forth herein.

(E) Communication with Persons other than Parties. The Hearing Officer shall not knowingly communicate with a member of the public or an organization about the subject of the appeal, and persons or organizations not parties to an appeal shall not communicate with the Hearing Officer about the subject of an appeal and/or attempt to influence the outcome of an appeal. Information and correspondence that is not in the record at the time an appeal is filed is not evidence and should not be considered in making a decision regarding the outcome of an appeal unless accepted as new evidence.

(F) Any correspondence regarding the subject of an appeal that is an ex parte communication and is inadvertently received by the Hearing Officer shall be kept separately from the record on the appeal. The Hearing Officer shall advise the parties to the appeal of the receipt of the ex parte written communication which shall be available for review by the parties.

(G) Notwithstanding the above, staff of the Council Services and other City departments (other than employees of a City department which is the appellant or appellee, or employees who have a personal or pecuniary interest in the outcome of the appeal) may, upon the request of the Hearing Officer, communicate with the Hearing Officer at any time and by any means.

8. The Hearing Officer shall recuse himself or herself from any proceedings in which he or she has a direct or indirect financial conflict of interest or otherwise cannot accord a fair and impartial hearing. In the event that the Hearing Officer has a conflict of interest regarding a particular appeal or a party to that appeal, the Hearing Officer shall immediately notify the Council of the conflict and the appeal shall be scheduled to be heard by the full Council.

9. The Hearing Officer shall enter his or her findings and recommended decision ("decision") within 5 days after the close of the hearing and shall forward the decision and findings to the parties and the Council within 5 days of entering the decision.

10. The Hearing Officer shall base his or her decision on a preponderance of the evidence. He or she may reweigh the evidence in the record.

11. The Hearing Officer may decide to recommend that the Council grant, in whole or in part, an appeal, deny, in whole or in part, an appeal, or remand an appeal for reconsideration if the remand is necessary to clarify or supplement the record or if remand would more expeditiously dispose of the matter.

12. When the Council receives the Hearing Officer's findings and decision, the Council shall place the decision on the agenda of the next regular full Council meeting provided that there is a period of at least 7 days between the receipt of the decision and the Council meeting. The parties may submit comments to the Council regarding the Hearing Officer's decision and findings provided such comments are in writing and received by the Council and the other parties of record four days prior to the Council meeting.

13. The Council shall vote whether to accept or reject the Hearing Officer's decision and findings. A motion to reject or accept the Hearing Officer's decision and findings must be approved by a majority of the membership of the Council.

14. The Council may accept the decision and amend the findings of the Hearing Officer if such an amendment is consistent with the decision of the Hearing Officer.

15. If the Hearing Officer's decision is rejected, the appeal shall be scheduled to be heard by the full Council no earlier than the next regular meeting of the full Council.

16. If the Hearing Officer rules are in conflict with the Zoning Code, the Zoning Code shall prevail. If the Hearing Officer rules are silent regarding an area that is addressed by the Zoning Code, the Zoning Code shall apply.

Qualifications of the Land Use Hearing Officer

1. Prior experience with administrative hearing procedures, land use law and/or City planning and zoning procedures.
2. A record that demonstrates a high level of integrity.
3. Excellent analytical, communication and drafting skills.
