Landmarks Commission

Wednesday, October 10th: Agenda unavailable at this time. Please check [this page](#) for the agenda three days prior to the meeting.

O-18-2 | *Amending Chapter 14, Article 5, Part 2, ROA 1994, The Drainage Ordinance, To Implement Best Practices For The Management Of New Runoff Associated With Land Development (Jones)*

@ Full Council on September 17th

Revisions to this ordinance propose compliance measures to ensure that new development and certain redevelopments have practices in place to promote minimum stormwater quality standards for stormwater leaving their individual sites in order to meet EPA requirements and help preserve water quality in the Rio Grande River.

O-18-29 | *C/S Amending The Traffic Code To Implement Minimum Standards For Shared Active Transportation Programs As They Relate To Operation And Maintenance In The Public Right-Of-Way (Davis)*

@ Full Council on October 1st

This resolution proposes to adopt minimum permitting and operation standards for shared active transportation entities, more familiarly known as Bikeshare or Scootershare programs.

R-18-65 | *Placing A Temporary Reprieve Of Enforcement Regarding The Prohibition On Existing Barbed Tape, Razor Wire, Barbed Wire Or Similar Materials, And Indicating The Council's Desire To Consider Amending The Integrated Development Ordinance As It Relates To Barbed Tape, Razor Wire, Barbed Wire Or Similar Materials To Reflect The Conditions Prior To The Passage Of The Integrated Development Ordinance (Davis)*

@ Full Council on October 1st

This resolution proposes to enact two new regulations for barbed-wire fencing in the City. First, it would call for a reprieve of enforcement on existing barbed wire fencing until October 1, 2020. Second, it would disallow new permits to be issued for barbed wire fencing in all areas except for those previously zoned (under the zoning code in place before May 17th, 2018) C-3, IP, M-1, M-2, or corresponding zone.

Council Planning Updates

Planning in the National News

[Demand-Based Street Parking Coming](#), published by Urban Milwaukee
on September 13th, 2018

The City of Milwaukee is poised to drastically change its metered parking policy in a move that will net the revenue-constrained city at least \$2 million annually. It should also lead to cheaper parking in low-demand areas, and higher rates for in-demand spaces — and make it a little easier to find a parking space.

[A new use for Google Maps: calculating a city's carbon footprint](#), published by Fast Company on
September 10th, 2018

Looking at a city's Google Maps data, in combination with other data, a new tool from Google can estimate the carbon footprint of all of its buildings—and the carbon footprint of all the car trips, bus and subway rides, and other transportation used by the people living there.
