MPOS near Double Eagle Airport

Management Goals and Policies

The 1999 City of Albuquerque

Major Public Open Space Facility Plan

is the principle document used for decision making on Open Space lands.

Albuquerque/Bernalillo County **Comprehensive Plan**

Main Planning Policies

- Conserve natural resources and environmental features
- Provide opportunities for education and recreation
- Multi-use trails and trail corridors
- Shape the Urban Form
- Conserve archaeological and cultural resources
- Protect the public from erosion, flooding, etc.

Cleanup of Historic Trash Dumping Sites
