**Meeting Minutes**

**I. Welcome and call to order**

Case Review Subcommittee Chair Leonard Waites called to order the regular meeting of the Case Review Subcommittee at 10:20 a.m.

**II. Approval of the Agenda**

Copies of the Agenda were distributed.

- i. A motion was made by Subcommittee Member Fine to approve the agenda as amended. Subcommittee Member Waites seconded the motion. Agenda Approved.

**III. Review and Approval of the Minutes from the October 6, 2016 Case Review Subcommittee Meeting.**

Minutes were not available for Chair Waites signature. By Process, minutes were not approved and tabled until next meeting.

**IV. Public Comments:**

- i. Jim Larson introduced himself to subcommittee. Is proud of the POB and the work they are doing. He is interested in working with Miriam Verploegh on upcoming CPOA Annual Report. He too is concerned the POB has not had a response from the Chief of Police regarding past recommendations and would like the Board to know he will be filing an IPRA Request for the Chiefs responses.

V. **CPOA Report – Edward Harness, Executive Director.** Director Harness gave the following report:

- i. **CIRT Cases-** No CIRT Cases from Internal Affairs have been given to CPOA/POB for review. There are currently 52 CIRT cases listed in IA Pro and are somewhere in the investigation process, but none have come to the CPOA yet. All of the CIRT cases that went before the Force Review Board last month were cases that were already reviewed by the POB.
  - Board Member Fine: SharePoint still lists CIRT Cases that have already been heard and handled. CPOA needs to make sure those cases are Archived to avoid confusion for the POB.
- ii. **Update on Officer Involved Shootings-** The list that has been provided before has not changed much. Snider shooting is available for review. This will up for review at next POB General Meeting. Dr. Ring and Dr. Garcia have made arrangements to review. Hawks- there has been confirmation from the DOJ that the Hawks case is now under review by the DOJ for criminal activity. As a result, the CPOA has suspended the investigation as it relates to I9914 and the associated CPC 101-16.
- iii. **Update on Meeting with City Council’s Finance and Government Subcommittee-** Resolution coming up that would allow a City Council designee and Inspector General to oversee the city’s review of the problems with video. Mr. Harness attended this meeting to urge the city to wait until the DOJ does their review and suggested the city wait to commence with their review. It was dismissed. Mr. Perry and Ms. Hernandez were very adamant about the City going forward regardless of City Council’s vote. This was suggested to avoid duplicated and conflictive reviews.
- iv. **Non-Concurrence Letter Received from Chief of Police: CPC 131-16.** Will be posted on CPOA website under Findings Letters, Non-Concurrence Letters: <https://www.cabq.gov/cpoa/findings-letters/chief-of-police-non-concurrence-letters>

VI. **Review of Cases:** The Subcommittee members agreed with the CPOA’s findings of the following Citizen Police Complaints (CPCs) and to add them to the consent agenda for the next POB meeting scheduled on January 12, 2017.

i. **Administratively Closed Cases**
