Yes

Additional Witness

Statement

Accidentally discharged firearm in home. Called emergency services immediately to report this incident as a non-threat. Officers responded within 10 minutes, were extremely courteous. David in particular is certainly an asset to the police force here. Initial questions straight to the point, relaxed and cool when he realized I had no intention of any harm. Victor was much more passive. David deserves my tax \$ and I happily pay his salary. People like him are a significant resource for ABQ. Although undesirable circumstances, perfectly done. David A+, Victor B.

What Outcome are you Seeking?

David eventually promoted

Statement

A police car was parked at Washington MS and I stopped my car to talk with the officer (turns out there were 2 officers, Wells and another). I had seen potentially suspicious behavior in the neighborhood earlier and wanted to get the police's opinion. We spoke for about 3 min. and when I went to restart my car, it was completely dead. Both officers were so helpful: Googling my car to discover what might be wrong, checking under the hood, reading the owner's manual, calling for jumper cables, jumping my battery, and telling me what Google recommended about recharging the battery.

This might be what is expected of officers. If that's the case, great, you have professional officers. For me, it felt so kind and helpful - it felt above and beyond.

I truly appreciate all of their help and initiative.

What Outcome are you Seeking?

For the officers and their superiors to know what a great job they did and how grateful I am.

Statement

Officer M. Sciarrillo and his partner responded to you home that was robbed. They were professional and spent a fair amount of time with us. But, what impressed me is that checked on our house the next day when they saw my vehicle in the driveway. They came to my door and confirmed that everything was OK. My family and I appreciate it. We just wanted to say thank you.

What Outcome are you Seeking?

I just wanted to say thank you.

Statement

My husband had terminal cancer and he decided to commit suicide, when I came back home and discover his body called 911. When paramedics came he was already dead, police arrived there too, Officer Chavez (no Badge number) and Officer Giselle Romaine (Badge #2390) as well as Chaplain Mark Zimmerman. The support that I had from them it was far from just doing their job. They understood the pain that I was going through and they take the time to comfort me.

Chaplain Zimmerman, help me to deal with the pain and horror that I was feeling, he offer me to take me to his home to be with him and his wife while my family arrive instead of leaving alone, wich I really appreciate, but decided to go to a Hotel and wait for my family, Officer Giselle Ronzone offer me to help me find a hotel and took me to one, instead of just leave me alone, also showing me her kindness and try to comfort me.

What Outcome are you Seeking?

Just let them know how much I appreciate their help and support in that tragic moment for me.

Sometimes people criticized Policemen, but this people showed me their kindness going far from their regular duties. Just wanted to let know their Superior what kind of persons they are, maybe just a few words to acknowledge their job will be nice for them
