Stories of Route 66:
The International District Project

Old Blue Spruce Lot

Old Blue Spruce Lot

Talin Market Auxiliary Parking Lot

WAT Buddhamong-koinimit Temple

Location: Corner of Central & Alcazar

Owner: Limary Family

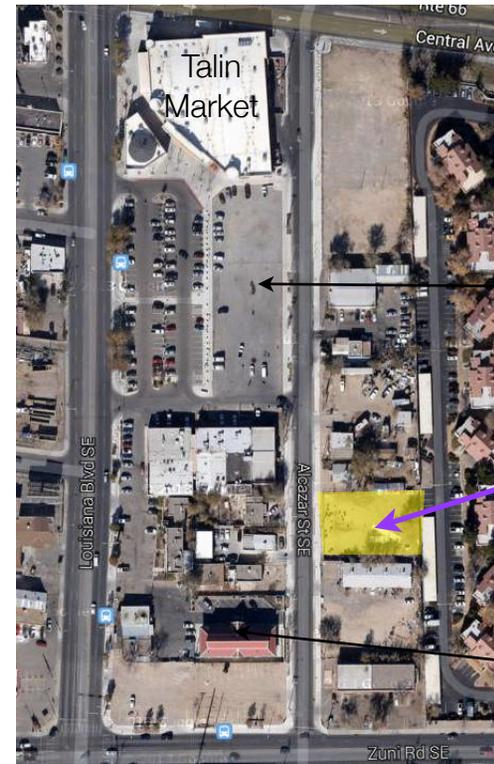

Accessibility: Chain Link Fence - need keys from owner

Permission Status: Granted

Assets:

- Central location and high visibility
- Historical Site (old Route 66 motel site)
- Possibility to use Talin Market's auxiliary parking lot for additional event programming
- Plenty of parking space
- Possibility to serve as a central hub for the July event

Other Alcazar Lot

Talin Market
Auxiliary
Parking Lot

Other
Alcazar Lot

WAT
Buddhamong-
koinimit Temple

Location: 306 Alcazar St

Owner: Unclear (either CABQ or Limary Family)

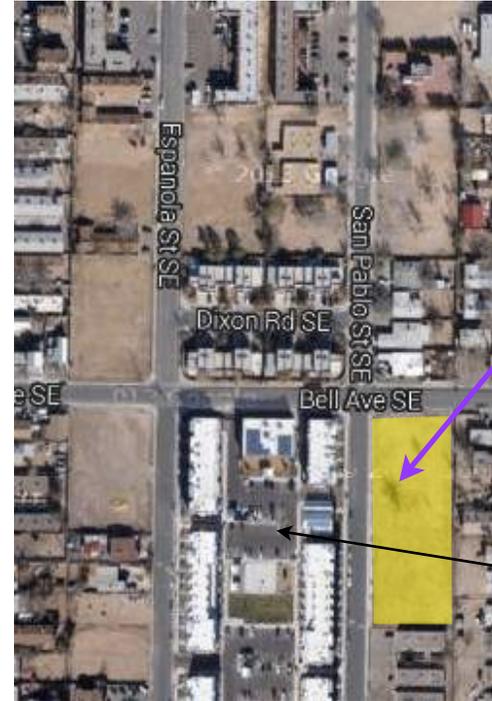

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- Possibility to serve as a central hub for the July event if animated in connection to the old Blue Spruce lot and Talin auxiliary parking lot
- Plenty of parking space
- Proximity to WAT Buddhamongkoinimit Temple

Trumbull Village Lot #1

**Trumbull
Village Lot
#1**

Plaza Feliz
Housing
Development

Location: Corner of San Pablo & Bell

Owner: CABQ

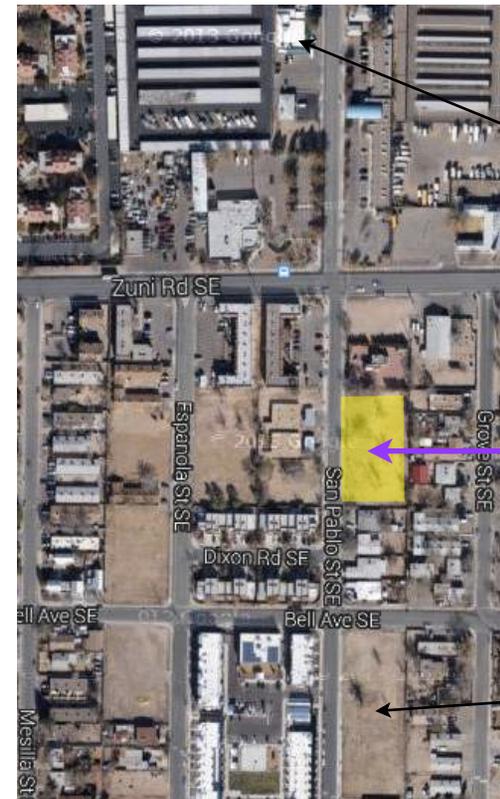

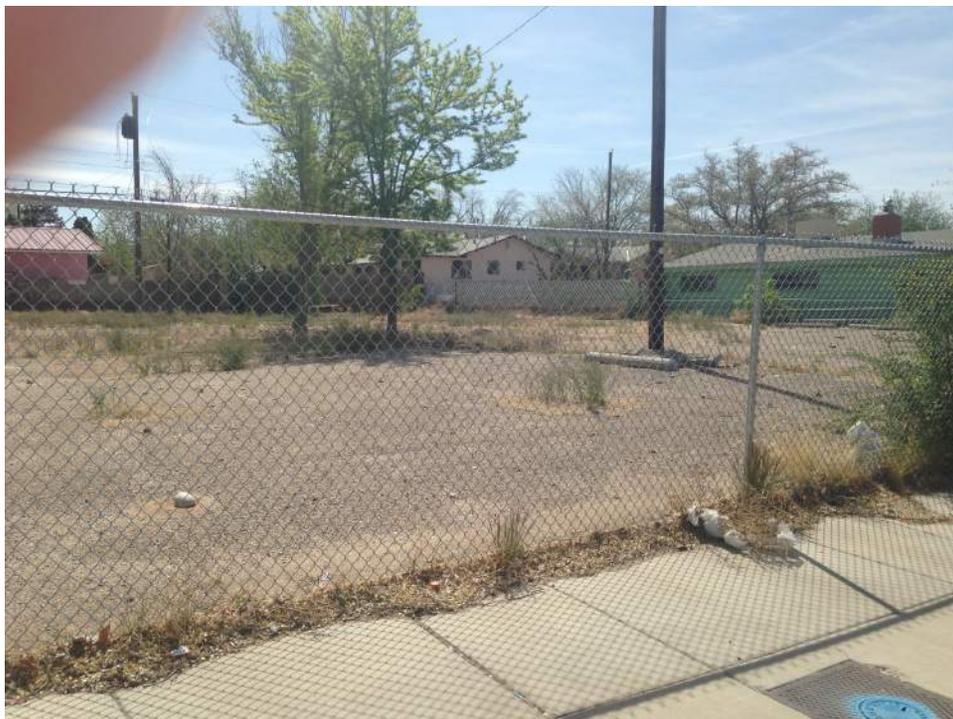

Accessibility: Chain Link Fence with open section for easy access

Permission Status: In process

Assets:

- Moises's UNM students are animating an oasis garden here, so there's potential for collaboration
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed
- Possibility to connect with residential neighbors - my understanding is UNM students have connected with Plaza Feliz and its children's daycare center
- This section of San Pablo is part of the ID trail

Trumbull Village Lot #2

PB&J

Trumbull Village Lot #2

UNM student's installation site

Location: 418 San Pablo

Owner: CABQ

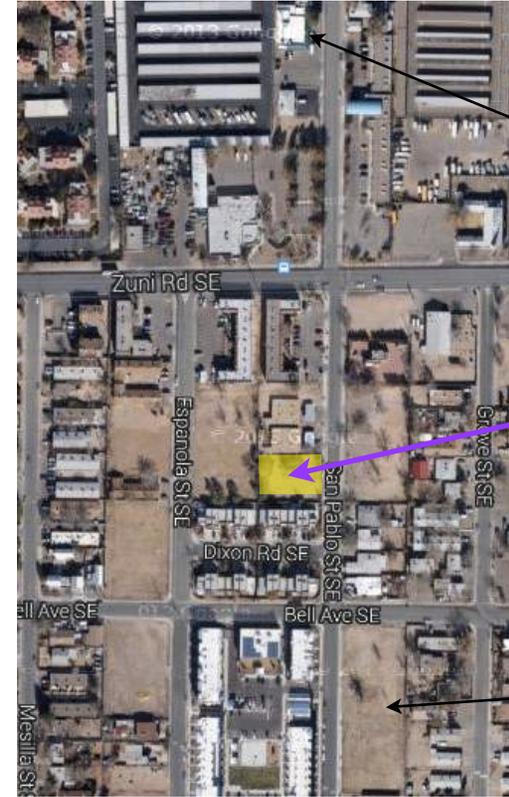

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- In proximity to PB&J
- In proximity to UNM student installation site
- Some shade trees
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed
- This section of San Pablo is part of the ID trail

Trumbull Village Lot #3

PB&J

Trumbull Village Lot #3

UNM student's installation site

Location: 433 San Pablo

Owner: CABQ

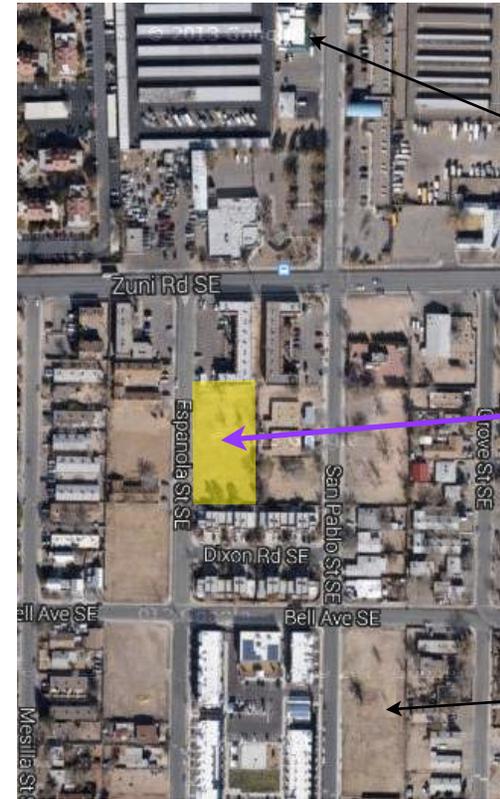

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- In proximity to PB&J
- In proximity to UNM student installation site
- Two large shade trees
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed
- This section of San Pablo is part of the ID trail

Trumbull Village Lot #4

PB&J

Trumbull
Village Lot
#4

UNM
student's
installation
site

Location: 416 Española

Owner: CABQ

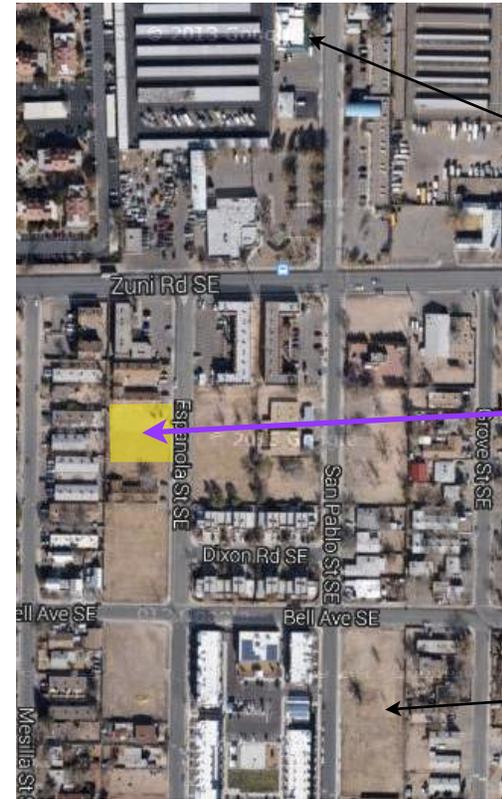

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- In proximity to PB&J
- In proximity to UNM student installation site
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed

Trumbull Village Lot #5

PB&J

Trumbull
Village Lot
#5

UNM
student's
installation
site

Location: 421 Española

Owner: CABQ

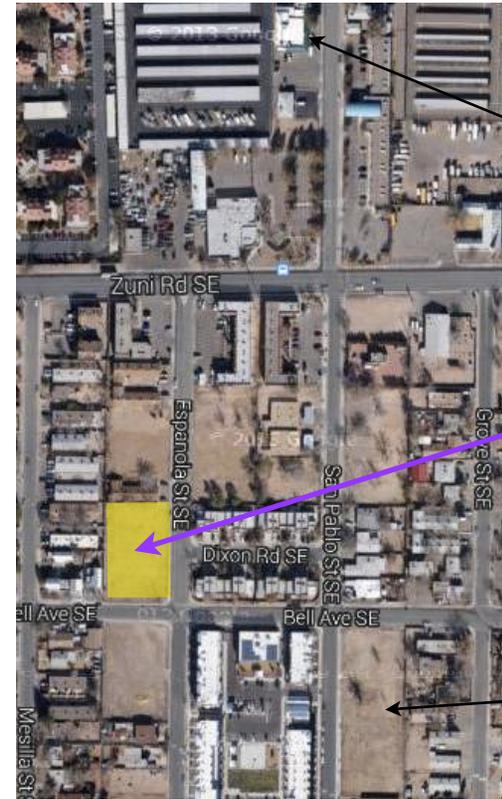

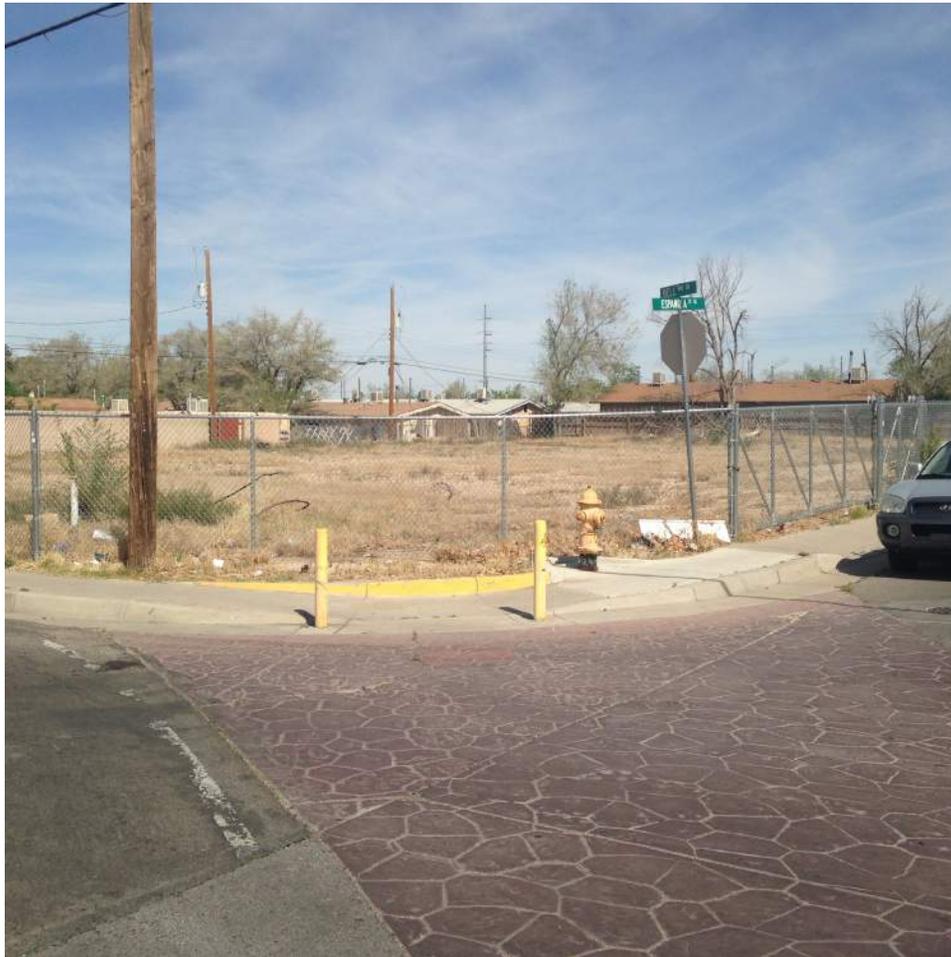

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- In proximity to PB&J
- In proximity to UNM student installation site
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed

Trumbull Village Lot #6

PB&J

Trumbull
Village Lot
#6

UNM
student's
installation
site

Location: NE corner of Española & Bell

Owner: CABQ

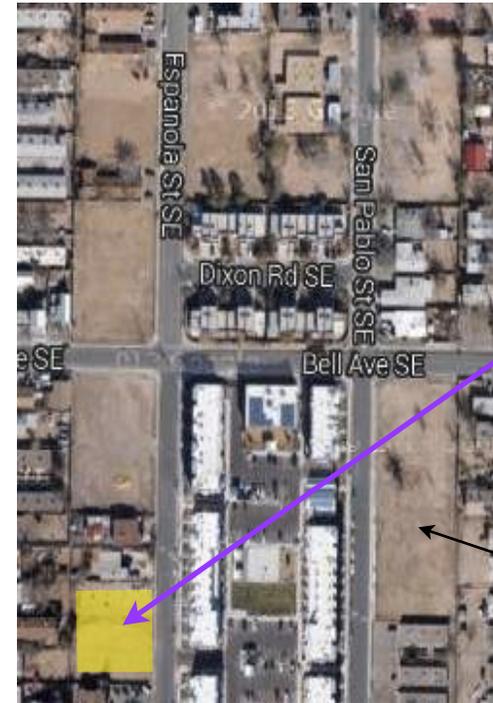

Accessibility: Chain Link Fence - need keys from owner

Permission Status: In process

Assets:

- In proximity to PB&J
- In proximity to UNM student installation site
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed

Trumbull Village Lot #7

**Trumbull
Village Lot
#6**

UNM
student's
installation
site

Location: 529 Española

Owner: CABQ

Accessibility: open

Permission Status: In process

Assets:

- In proximity to UNM student installation site
- This is one of 7 city owned empty lots in a two block radius. Residents have expressed interest in seeing some of these sites transformed
- Have seen residents use this space as an atv/bmx bike course

Phil Chacon Park

Location: Corner of Southern and Pennsylvania

Owner: CABQ

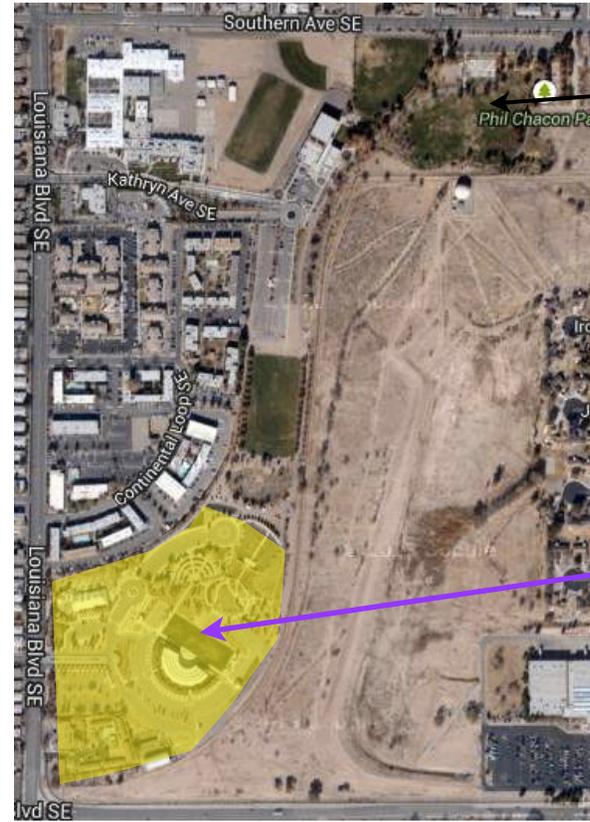

Accessibility: open

Permission Status: In process

Assets:

- Extension of Phil Chacon Park and near Trumbull Park
- As the possible future sight of a new charter school by Tony Monfiletto, there's potential for collaboration
- Plenty of parking space
- Great green space, shade, space for kids
- Sense of nature and environmental flow
- Park trail to Veterans' Memorial Park

Veterans' Memorial Park

Phil Chacon Park

Veterans' Memorial Park

Location: Corner of Louisiana & Gibson

Owner: CABQ

Accessibility: open

Permission Status: Granted

Assets:

- Great Amphitheater and lawn
- Possible future site of the International Festival
- Plenty of parking space
- Easy hook-ups for food trucks
- Trail connection to Phil Chacon park

San Mateo Lot #1

San Mateo
Lot # 1

Location: Corner of San Mateo & Southern

Owner: Abe Galanter

Accessibility: open

Permission Status: In conversation with owner

Assets:

- Along stretch of San Mateo corridor that residents want to revitalize as a neighborhood “main street”
- Parkland Hills neighborhood association wants to organize a “street-fair” pop up on a site along San Mateo, so there’s potential for collaboration
- Some shade trees

San Mateo Lot #2

San Mateo
Lot # 2

Location: Corner of San Mateo & Trumbull

Owner: Abe Galanter

Accessibility: Chain link fence with sections open

Permission Status: In conversation with owner

Assets:

- Along stretch of San Mateo corridor that residents want to revitalize as a neighborhood “main street”
- Parkland Hills neighborhood association wants to organize a “street-fair” pop up on a site along San Mateo, so there’s potential for collaboration
- Some shade trees
