The City of Albuquerque, Air Quality Division (Division) hereby gives notice of withdrawal of its petition in the above-referenced matter, so that the proposed regulation can be re-evaluated, and where necessary, revised to reflect current conditions.

On October 28, 2008, the Division filed with the Albuquerque-Bernalillo County Air Quality Control Board (Air Board) its *Petition to Amend 20.11.2 NMAC, Fees, Incorporate Portions of Amended 20.11.2 NMAC, into the New Mexico State Implementation Plan for Air Quality and for a Combined Hearing*.
