### **VI. Open Discussion/Topics for next meeting**

- a. Vincent Galbiati shared about a property which was a social facility 2.6-2.7-acre campus with 30,000 sq. ft. with an adjacent apartment building for sale. It is owned by a group out of Kansas, under the name of Child Youth Center Services, dba Desert Hills. The facility has space for an administration building, classrooms, medical facilities and is secured and fenced in. Mr. Galbiati proposes the policy of that the task force consider the property as either a place to co-locate services or to purchase as collective. Mr. Galbiati would like to start putting out letters of interest to see if this is growth opportunity for the individual organizations. Lt. Norris is very familiar with that location, it's high call volume, it is a prime location and has a lot of potential. Mr. Galbiati will reach back to Lt. Norris to have a quick conversation regarding the property. Feel free to offer feedback to Chair Jacobus and Mr. Galbiati will connect with her for any comments. Chair Jacobus will put this on the agenda for next meeting.
- b. Liza Wolff-Francis requested a subcommittee breakout session at the next meeting.
- c. Claudia Medina's breakout committee would like to have a conversation with Commander Burke before next meeting to ask questions regarding response time, language access issues, data collection before a draft recommendation is prepared. Lt. Norris said Commander Burke will be back before the next meeting of September 9th. Lt. Norris will provide Commander Burke's email to connect with him to find out or get information prior to the next meeting. Chair Jacobus relayed that Commander Burke is very responsive via email and may get everything answered before the next meeting.
