

To help make these essential tests convenient for women in our community, Presbyterian Health Plan is hosting a Mobile Mammography event.

> October 30, 2013, 7:30 - 11:30am **Albuquerque Fire Academy** Reference code: AFD 10/16AM

The mobile mammography unit brings advanced digital breast cancer screening technology on the road to your work site. Look for the High Resolution MammoVan parked at the Fire Academy.

> To schedule your mammography appointment* Call (505) 332-6967 or toll free (877) 771-6266. Please mention the Reference Code when scheduling.

*Should be scheduled at least 11 months since your last mammogram. Additional health insurance plans will be accepted. Please call the appointment scheduling number to confirm acceptance of your insurance.
