0.1.1 The general purpose of this Agreement is to:

01.1.1 Provide for the wages, rates of pay, hours and other conditions of employment of the MCOs and SVCs of the Albuquerque Transit Department;

0.1.1.2 Provide for an efficient means of manning the service;

0.1.1.3 Provide for the fair treatment of City Transit MCOs and SVCs;

0.1.1.4 Provide for the efficient operation of the Albuquerque Transit Department so that public transportation service may be rendered in such a manner as will best serve the public convenience and necessity without interruption;

0.1.1.5 Provide for the prompt and amicable adjustment of disputes which may arise out of the application or interpretations of this Agreement or otherwise;

0.1.1.6 Provide for such other arrangements which may be deemed advisable by the parties hereto to safeguard their respective interests and establish and maintain harmonious relationships; and

0.1.1.7 Provide for the safeguarding of the City's Property.

0.2 Authority

0.2.1 This Agreement has been made and entered into between the City of Albuquerque, New Mexico hereinafter referred to as "City", and the AFSCME Local 624, hereinafter referred to as the "Union", representing the full-time permanent, non-probationary Motor Coach Operators (MCOs) and Sun Van Chauffeurs (SVCs) employed by the Albuquerque Transit Department of the City of Albuquerque, New Mexico.

0.3 Scope of Agreement

0.3.1 This Agreement relates to the employees of the City of Albuquerque in the designated collective bargaining unit. The parties do hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as the result of negotiations of the parties as provided in the City of Albuquerque Employee Relations Ordinance.

0.3.2 This Agreement replaces in its entirety any and all previous Agreements and represents the only Agreement of the parties hereto. When any conflicts occur, this Agreement shall govern as provided by the City of Albuquerque Employee Relations Ordinance.

0.3.3 Under normal circumstances, the Union will be given prior notice of proposed changes in City or department wide written policies that directly affect bargaining unit employee working conditions. The Union will be given fourteen (14) days from the time of notice to provide input. This input period may or may not delay implementation, but may require revision or cancellation of the originally proposed policy. The parties may agree to extend time limits by mutual consent. Notwithstanding the foregoing commitment, neither party shall be required to negotiate any issue during the term of this Agreement, whether the issue is contained in this Agreement or not part of this Agreement, unless specifically mandated by another provision of this Agreement.

0.4 Recognition

0.4.1 The Union, having shown that it represents a majority of employees holding the job position of MCOs and SVCs is hereby recognized as the exclusive bargaining agent for such permanent, non-probationary MCO and SVC employees. The City agrees to deal with appointed or elected Union officials designated by the Union. The Union agrees to work through the Transit Department and then if necessary through the Office of Human Resources on any issue that may arise concerning employee problems or this contract.

0.4.2 The right of individual employees to present their own requests or process their own grievances except an appeal to the (Labor Board or Arbitration) shall not be impaired by this Agreement. The Union will be given written notice of any grievance filed by any member of the

Local 624's Bargaining Unit and a Union representative may be present at such grievance.

0.4.3 For the purpose of this Agreement, the term "employees" shall include, as heretofore states, only those permanent non-probationary employees holding the job position of MCOs and SVCs. All other employees irrespective of their job position title, including those who are members of supervision, shall be excluded from representation by the Union.

0.4.4 It is understood that for collective bargaining purposes, the Union will represent all permanent non-probationary Motor Coach Operators ("MCOs") and Sun Van Chauffeur ("SVCs") and not temporary or probationary employees;

0.4.4.1 All new MCOs and SVCs will be hired as permanent, probationary employees; and

0.4.4.2 The City may only hire temporary drivers for short-term operational purposes which cannot be fulfilled with permanent drivers. These special events may include adjustments for vacation schedules or unanticipated peak service needs.

0.4.5 The parties recognize the right of the Transit Department to hire and use temporary MCOs and SVCs as per Section 4.4.2 above. For purposes of this agreement, "temporary" shall be defined as an employee who is given a termination date at the time of initial employment and whose length of temporary service shall not exceed six (6) months. Temporary employees shall not be members of the bargaining unit, and their rights shall be governed by the provisions of the Merit System Ordinance and the Personnel Rules and Regulations.

0.4.6 Temporary MCOs and SVCs will be given preference in filling permanent positions as they become available, when no qualified permanent employees are available to fill the vacancy. Temporaries will be selected for permanent positions based first on performance and second on seniority. If there are no qualified permanent or temporary employees available to fill a vacancy, the Department may fill the vacancy by whatever means it deems appropriate. The City agrees to forward to the Union through the Transit Manager, the names of new employees who come within the scope of this agreement.

0.4.7 Temporary MCOs who become permanent MCOs after serving 6 or more months as a temporary shall not be required to serve a probationary period and shall immediately gain permanent, non-probationary status. Temporary MCOs who become permanent MCOs after serving less than 6 months as a temporary shall be required to serve a probationary period which brings their total length of service as an MCO to 6 months, following which time the MCO shall gain permanent, non-probationary status.

0.4.8 The provisions of subsection 4.6 shall apply to temporary SVCs who become permanent SVCs.

0.4.9 Temporary MCOs, with less than 4 months of service who transfer to positions as permanent probationary SVCs shall be required to serve a probationary period which brings their total length of service to 6 months following which time the employee will gain permanent, non-probationary status. Temporary MCOs with more than 4 months of service, and less than two months previous experience as SVCs, who transfer to positions as permanent probationary SVCs will be required to serve an additional probationary period of two months, less any amount of time previously spent as an SVC following which time the employee will gain permanent, non-probationary status after six months of total service. Temporary MCOs who transfer to positions as permanent SVCs with at least two months previous experience as SVCs, will gain permanent nonprobationary status upon transfer to the permanent position.

0.4.10 The provisions of subsection 4.8 shall also apply to temporary SVCs who transfer to positions as permanent, probationary MCOs.

0.4.11 Should the decision of any court of competent jurisdiction render any part of this Section invalid or otherwise null and void, the parties will comply with the decision of the court.

1. GENERAL LABOR/ MANAGEMENT PROVISIONS

1.1 Agency Fee/ Fair Share

This Section Intentionally Left Blank

1.2 Payroll Deduction of Union Dues

1.2.1 For the convenience of the Union and its members, the City agrees to deduct regular bi-weekly dues, Union-sponsored insurance and pension plan payments from the pay of those employees who properly authorize the City to make such deductions.

1.2.2 Such deduction requests will authorize the City to deduct the amounts specified in writing by AFSCME Council 18 . The amounts authorized may be changed through AFSCME Council 18.

1.2.3 AFSCME Council 18 will submit, a listing of deductions for new members to City Payroll Department. Such listing will be in the format approved by the City.

1.2.4 Changes in established deductions may be submitted by AFSCME Council 18 once per calendar quarter. Such changes will be submitted in the format approved by the City no later than ten (10) days prior to the end of the second pay period in the month requested.

1.2.5 The Union will stock the forms necessary for Union deductions or their cancellations.

1.2.6 Deductions shall be remitted to AFSCME Council 18 on a biweekly basis and the City shall furnish to AFSCME Council 18, monthly, a record of those for whom deductions have been made each month.

1.2.7 Employees who are dues paying members of AFSCME Local 624 Union, and wish to cancel dues deductions will do so by providing appropriate notice to Local 624 during the first week of the month of January. Such cancellation notice must have the president's signature.

1.2.8 The Union shall indemnify, defend, and save the City harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or as a result of any conduct taken by the City for the purpose of complying with the above.

1.3 Union Rights

1.3.1 Local Union officers may be granted time off without pay from their normal duties to attend conventions, conferences and seminars previously identified by the parties and monthly Union meetings on the second Wednesday and last Wednesday of the month. Union officers may also be granted leave without pay for Union matters approved by

the appropriate supervisor or the Office of Human Resources. For the purposes of this paragraph, "Union Officers" shall be limited to the elected officers and executive board members of the Union. Requests for this leave that exceed ten (10) days will be subject to the approval of the CAO. The employee may utilize accumulated vacation time or leave without pay for these purposes. Local Union stewards may be granted time off without pay from their normal duties to attend monthly Union meetings on the second Wednesday and last Wednesday of the month. The Union shall provide the Human Resources Officer and each affected supervisor with the names of the stewards. The Union shall update the list as changes occur. Union leave without pay shall be subject to the prior approval of the department. The department shall determine whether or not to approve an employee's request based solely on the operational needs of the department. If a bargaining unit employee is elected to an officer's position within the union, the officer will be granted vacation leave or leave without pay for the union's national convention, provided the officer submits a leave request form prior to the employee's submission of a registration form to the union's national convention.

1.3.2 The employer agrees that Union Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work area. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. The Employer will designate a meeting place or will provide a representative to accompany Union officials where significant security requirements exist. Union staff representatives or local Union representatives may request meetings as needed to prevent, clarify or resolve a problem.

1.3.3 . The amount of .14% was set aside from the three percent (3%) appropriated by the City for salary increases in FY 2015, in order to fund the recurring cost of Union Time for the following AFSCME collective bargaining units: Local 624 (Transit), Local 624 (Blue Collar), Local 1888, and Local 2962. The recurring funds to cover the cost for Union Time shall be replenished each year in the amount of \$131,000.00 and shall be replenished for each year thereafter of this agreement. Deductions from this pool shall be calculated using the actual burdened wage rate of the union representative using the time (to include employee insurance, PERA, Retiree Health, Employer FICA portion, Life Insurance, Insurance Admin Fee, and unemployment). The Employer will provide, upon request by the Local

President up to six (6) times per fiscal year, the balance expended and remaining on the set aside fund; the Employer will provide, upon request up to two (2) times per year, hours/expenditures by employee.

Except for the following circumstances, the hours spent to perform union business as defined under this section will not count as hours worked for the computation of overtime. Union time performed by two stewards (only), designated by the President, for up to five hours per week for each steward, whether or not part of that steward's regularly scheduled work week, will count toward the calculation of overtime. The stewards will not enter time for union time performed in excess of five hours of union time per week. The Union set-aside will compensate the steward for union time at the regular rate of pay; City funds will compensate the steward for the overtime portion. (For instance, if a steward worked four (4) hours overtime, and all that time was union time, then four (4) hours would be paid from the set aside, and two (2) hours from City funds. Only union representatives identified and authorized by the union in advance are allowed to draw on the pool of union time. Such time will be deducted from the pool at the burdened wage rate. The union shall maintain a current list of authorized union representatives with the City. In extenuating circumstances, the parties may authorize the addition of representatives to draw from the pool. An authorized representative shall request the use of Union Time at least a minimum of 2 City Business Days (Monday through Friday, except Holidays recognized by the Chief Administrative Officer) in advance from their respective department; such requests are subject to approval by their supervisor. Requests for union time will be accepted verbally, text, email or by a phone call to their immediate supervisor. Approval shall not be unreasonably denied and shall be denied only in cases of emergency. Where the employer sets a meeting for which Union Time may be used (for investigation interviews, pre-determination hearings and grievance hearings), but provides the employee with less than five City Business Days' notice, the Employer shall allow the Union to use Union Time for such an event. The Employer shall grant Union Time for Union Representatives to attend these meetings. Parties may waive these deadlines upon mutual agreement.

At any time funds allocated for Union Time become exhausted, authorized union representatives may utilize vacation, compensatory time or elect to take leave without pay to conduct union business with the appropriate amount of advanced notice subject to the supervisor's approval.

For Union Presidents. Union business is defined as business performed by designated union representatives which facilitates the applications of this agreement, assists in employee management matters, resolves conflicts, assists in positive labor/management relations between Employees and the City or which involves matters directly related to representation of the bargaining unit members which are also beneficial to the City of Albuquerque. This shall include preparation for and attendance of pre-determination hearings, grievances, meetings scheduled between the Union and the City, Labor Board filings, and Personnel Board filings. In their absence, Union Presidents may designate persons to use president's time.

For an authorized union representative designated by the Union President, Union business is defined as attending a predetermination hearing requested by a bargaining unit employee, a grievance hearing when requested by a bargaining unit employee or an arbitration/Labor board hearing, or other matters directly affecting employees represented by the union. Unless otherwise approved by the Human Resources Officer, one (1) steward shall be granted Union time leave with pay for any single hearing. Unless otherwise approved by the Human Resources Director, the steward shall be a bargaining unit employee assigned to the same department to which the affected employee is assigned.

President's Time 624 Transit. The Union President or his/her designee shall be allowed a total of up to 10 hours per week to perform Union business.

1.3.4 A bulletin board will be furnished by the City for the posting of official Union notices and other information. Such notices shall not include religious, political, derogatory, inflammatory, or discriminatory notices. The bulletin board will not be used to criticize the Union, and any of the Union policies, any of the Union officials, management, any management policies, or any management employee. The Union may apply locks to these boards at its own expense.

1.3.5 A union official who is on leave without pay status on the day before or the day after a City approved holiday shall be eligible for holiday pay if the official is required to work the holiday provided the official's leave without pay has been approved by the City for official City business. A maximum of two (2) union officials shall be eligible for this benefit on any given holiday.

1.3.6 Leave without pay: Employees holding office in the union may be granted leave without pay under the provisions of Section 18 of the Merit Systems Ordinance, as amended. The employee will retain seniority rights as defined in Section 14 of this Agreement.

1.3.7 The Human Resources Director or designee will provide to the AFSCME Staff Representative and AFSCME Local Presidents notice of who will attend the New Hire Orientation, providing the tentative list once, and the final list on the Friday before the orientation. The same AFSCME personnel may set up a table outside the New Hire Orientation, and interact with new hires before or after the Orientation or during breaks (but AFSCME personnel will not delay new hires from attendance) and provide materials to new hires. During the orientation a City employee will state "you may be eligible to be a member of a Union. Representatives of the Union are at the table outside," and nothing more.

1.3.8 The rights guaranteed to the union in this agreement are exclusive rights. These rights shall not be granted to a competing labor organization.

1.4 City Rights

1.4.1 The City retains all rights not expressly curtailed by this Agreement and as provided in Section 2-2-5 of the Employee Relations Ordinance, Council Bill 0-67, as amended and approved January 3, 1977.

1.4.2 Social Security numbers are to be kept confidential. Should any information be needed, the employee will provide requested information to employer.

1.4.3 The Union agrees to cooperate in voluntary fund drives supported by the City.

2. PAY PROVISIONS

2.1 Salary Schedule

2.1.1 For fiscal year from July 1, 2018 through June 30, 2019, bargaining unit employees' hourly rate of pay will be increased by the amounts provided on accompanying tables on the first full pay period following ratification by the membership, approval by the Mayor, and signature by the parties. In February and March 2019, and periodically

thereafter as warranted, the City and the Union will meet to discuss the budget and economic items related to this contract. For the following fiscal year, bargaining unit employees' hourly rate of pay may increase by the amount, if any, appropriated and approved by the City Council, and any increase effective the first full pay period after July 1, 2019. There shall be no retroactive compensation benefit in this Agreement.

As required by law and ordinance, all economic terms are subject to annual appropriation of the amounts set forth in the Agreement by the City Council, including but not limited to appropriation in the Budget Resolutions for the Fiscal Year in which an increase in compensation is set forth in this agreement.

2.1.2 Salary Schedule FY/19

MCO Current Union Employees hourly wage change will be as follows:

Between \$14.26 to \$15.03 will be in Step 2 of the pay plan below

Between \$15.84 to \$16.57 will be in Step 3 of the pay plan below

Above \$17.00 will be in Step 4 of the pay plan below

	Grade	JOB CODE	Step 02	Step 03	Step 04
Motorcoach	Q00	500003	\$16.00	\$17.00	\$19.73
Sun Van	QSV	500001	\$13.80	\$14.80	\$18.40
Sun Van P Endorsement	QSP	500002	Current employees will be at Step 0 with 1% ATB		

Except under Section 2.5, there will be no step increases during the term of this agreement unless both parties otherwise agree.

2.1.3

The Parties agree that no new bargaining unit employee may qualify for, fill, or be paid according to, the QSP Grade. The QSP Grade is limited to those five (5) employees who are currently paid at that rate and four (4) employees who have filed a grievance to be classified as QSP who are identified in an email between the City and Union negotiating teams; as vacancies occur, the positions will be eliminated. QSP Grade employees may apply for a MCO position qualifying for the Q00 pay Grade, at the employee's applicable step. Such a request will not be unreasonably denied. Any such a transfer is final and the vacated position will be eliminated.

QSP Grade employees must maintain a current Commercial Driver's License with a P endorsement; if an employee fails to do so then the employee will be transferred to a QSV Grade, shall perform QSV duties, and that transfer is not discipline but the loss of a benefit. QSV Grade employees who hold a New Mexico Commercial Driver's License with a "P" endorsement may apply for a MCO position qualifying for the Q00 pay Grade, at the employee's applicable step. Such a request will not be unreasonably denied. The City will allow, but may not require, QSV Grade employees who hold a New Mexico Commercial Driver's License with a "P" endorsement to operate a motorcoach as needed, and when QSV Grade employees perform MCO duties, they will be paid the Q00 pay Grade, at the employee's applicable step, for the time worked actually operating a motor coach.

2.1.4 All MCOs and SVCs shall be paid twelve (12) minutes per day for each pullout of a regular assignment from the Transit Department Terminal for the purpose of performing those preparatory duties stipulated by the Transit Director. Should additional preparatory duties be requested by the Transit Director, the negotiating committees of the City and the Union shall meet to determine the amount of additional preparatory time required. All MCOs and SVCs shall be paid six (6) minutes for storing equipment at the end of the run after pulling in to the yard at the Transit Department Terminal.

2.1.5 MCOs and SVCs will be paid every other Friday, as is the current practice of the City.

2.1.6 This agreement is enacted in accordance with the provisions of the Labor-Management Relations Ordinance, § 3.2.18 R.O. 2002.

2.2.2 For employees hired within the Department after July 1, 2003, all City service time shall be used to compute longevity “years of continuous service.

2.3 Overtime

2.3.1 MCO Operators, Extra Board Operators and SVCs will be paid at the rate of time and one-half their regular hourly rate of pay for all hours worked in excess of 40 hours per week.

2.3.2 If the unscheduled extra board protector is called in to work and no work is available when he/she reports to work, the employee will be guaranteed at least two (2) hours work.

2.3.3 For the purpose of computing overtime, paid vacation and sick leave will be considered time worked.

2.3.4 Scheduled Overtime: The employer shall prepare, maintain and post an up-to-date scheduled overtime list by classification and seniority within the work unit at least two times per year. Employees who have signed up for voluntary overtime shall be offered overtime in seniority order on a rotating basis. If the above procedure has been followed and no employee on the volunteer list is available for overtime work, the City may draft employees in reverse seniority on a rotating basis.

2.4 Compensatory Time

2.4.1 Prior to working an overtime assignment the employee and management by mutual agreement may provide for the overtime

assignment to be worked for compensatory time at one and one-half (1 1/2) times the hours worked over forty (40) hours per week. The employee shall be responsible for providing the written documentation for the supervisor's signature.

2.4.2 Employees will be allowed to accrue a maximum of 40 hours worked which equals 60 hours of comp time. Approved comp time will be used on a "first come first served basis." There will be a maximum retention period for accrued comp time. The comp time must be used by April 1, of each year. Any comp time not used by December 31 of each year will be paid on the next full pay period.

2.4.3 Employees who have accrued compensatory time at the time of termination of employment shall be paid for the unused compensatory time at their current rate of pay if such time cannot be scheduled and taken prior to the termination date.

2.5 Pay Equity

2.5.1 The City and the Union (the Parties) desire to ensure that employees, including bargaining unit members, are compensated equitably for their work and have a process to recommend to the Chief Administrative Officer (CAO) changes in pay rates. The final decision to change pay rates is with the CAO. If one or more bargaining unit employee(s) is paid less than one or more employee(s) who holds the same job title, the CAO may increase, but not decrease, the pay rate of the lesser paid employee(s) at the CAO's discretion. Increases shall be only at the steps set forth in this Contract. Failure to provide such an increase shall not be grievable, except as below.

When the Wage Review Committee makes a recommendation for a bargaining unit employee(s) to the CAO to increase the pay rate of one or more bargaining unit employee(s), the Wage Review Committee's recommendation, comparable employee information, and supporting documentation, excluding any privileged material, will be provided at the same time to the Local President and AFSCME Staff Representative by email. For ten (10) business days, the Local President or Staff Representative may provide written comments or a recommendation to the CAO or her designee regarding the recommended increase. After receiving the written comments or recommendation from the Local President and/or Staff Representative, or the expiration of the ten (10) business days, the CAO may decide in her discretion to implement or not implement a wage increase. The time limit herein for the Union to submit its comments may be extended by mutual agreement of the Parties.

If the Union does not offer written comments or a recommendation within the 10 business days, and the CAO accepts or denies the recommendation, the Union has waived its right to grieve. If the Union offers a written recommendation and the CAO accepts, the Union will not file a grievance. If the CAO does not increase any employee's pay, the Union will not file a grievance. If the CAO's decision differs from the Union's recommendation and results in an increase, the Union President or Staff Representative may grieve. If the CAO decides to increase the pay of some employees but not others in one decision, and the Union recommended an increase in pay for the employees that did not receive an increase in that decision, then the Union President or Staff Representative may grieve. The only grievance procedure applicable for this provision is FMCS arbitration. The Union will have 30 days to make a request for a panel from FMCS. The Parties will share equally the costs of arbitration.

This provision is not an admission that any law or policy has been violated. This provision does not change an employee's right, if any, to challenge a decision of the CAO in a lawsuit.

12.3.15 When an employee receives a missout, sick leave, or vacation will be considered on a case-by-case basis.

12.3.16 Protector is defined as a driver who is assigned a specific reporting time and who must be available to substitute for absent drivers.

12.3.16.1 A protector will be considered tardy when he/she reports to work after his assigned reporting time but not later than 12 minutes following the reporting time.

12.3.16.2 A protector reporting to work more than 12 minutes late will be charged with a missout.

12.3.17 Tardiness and No-Shows (For Sun Van Chauffeurs Only)

12.3.17.1 Tardiness is defined as not reporting to work on time for sign-on as listed for that day on the driver's sign-on sheet.

12.3.17.2 A Protector is defined as a driver who is assigned a specific reporting time and must be available to substitute for absent drivers.

12.3.18 Any discipline administered under this section does not prevent an employee from filing a grievance.

12.4 Rest Periods

12.4.1 Transit employees working eight (8) or more hours per day shall be granted one (1) ten-minute rest period during the first half of the shift and one (1) ten-minute rest period the last half of the shift. Such periods will be scheduled by Management. If a piece of work run, works less than three (3) hours and has no break, the other part of the work run will be guaranteed to have at least twenty (20) minutes of break time not to be scheduled towards the end or beginning of shift, SVCs working 8 or more hours per day will be granted one 15 minute rest period during the first half of the shift and one 15 minute rest period during the last half of the shift. Such periods will be scheduled by Management. Management will schedule a 30 minute non-paid lunch period for SVCs working 8 or more hours per day.

12.4.2 When a place of rest period is changed or created, the Union will be allowed input prior to the change, except under emergency conditions. (This Subsection 12.4.2 does not apply to SVCs).

12.4.3 The Transit Department will assign an employee the duty of identifying businesses on bus routes that allow Motor Coach Operators to use their restroom. Motor Coach Operators agree not to abuse this privilege granted by business owners.

12.4.4 The parties recognize that the provisions of Subsection 12.4.1 cannot be adhered to in all instances, however they will continue to be a goal of the Union and the Department. In an attempt to reach this goal the Department will implement a Break and Recovery Time scheduling plan.

12.4.4.1 Demand Response Service. Lunches for SVCs will be scheduled. The Lunch period shall occur approximately at mid-point in the work shift. SVCs will be granted one fifteen minute rest period during the first half of the shift and one fifteen minute break during the second half of the shift.

12.4.4.2 Fixed Route Service. It is a goal of the City and the Union to correct breaks and recovery time at the earliest possible time when the City receives notice of the problem.

12.5 Other Work Hour Provisions

13. WORK ASSIGNMENTS

13.1 Special Events

13.1.1 Assignments under this section shall be made in the following order:

13.1.1.1 Extra Board Operators who have not, or probably will not, work a forty (40) hour workweek, will be assigned first.

13.1.1.2 Volunteer lists for the July 4 and Christmas Eve Luminaria Tour will include regular operators, Extra Board operators, and SVCs who have completed or probably will complete their established forty (40) hour workweek. These lists will be posted two (2) weeks prior to the events to allow employees to sign up. Failure to report for work after volunteering will be treated as an absence from work and subject the operator to disciplinary action.

13.1.1.3 Selection from the list identified in paragraph 13.1.1.2 above will be processed by seniority on a rotating basis. If there are no volunteers or an insufficient number of volunteers, the Department shall order, in reverse order of seniority, drivers to work.

13.1.1.4 Reverse order of seniority – again the employee is required to report to work. No paid leave will be granted except for sick leave with a certified doctor's certificate. Should an operator be assigned to work as provided herein, the employee must work the assignment, or on his/her own find another City of Albuquerque MCO or SVC, who is not scheduled to work, to work the assignment. This will be restricted to MCOs and SVCs respective Divisions.

13.1.2 Overtime work may be required in emergencies, as determined by supervisors.

13.1.3 If the City contracts with any outside entity to provide buses and drivers to service a special event, such service will be considered a job assignment subject to this Section, and Drivers will be required to work the assignment.

13.1.4 If the City contracts with any outside entity to provide buses and drivers to service a special event, the drivers shall be compensated at time and one-half their regular rate of pay for such assignments.

13.1.5 The City shall meet and confer with the Union President prior to contracting with any outside entity to provide buses and drivers to service a special event.

13.1.6 Nothing in this Section shall be construed to be a waiver of any rights conferred by the Section 13(c) of the Federal Mass Transportation Act.

13.2 Light Duty/ Modified Work Assignments

13.2.1 Employees Disabled: Employees holding the job position of MCO and SVC who may become physically disabled and unable to perform their normal duties may be given considerations for assignment to such other duties as they are qualified to perform in the Transit Department.

13.2.2 Injury in the Performance of Duty: Refer to Section 16, as amended, of the City's Merit System Ordinance and the City's Modified Work Policy. Employees injured in the line of duty will abide by the City's Light Duty Modified Work Program. Should the policy be amended, the Union will be given an opportunity to review the amendments and provide written input within 15 days of implementation.

13.3 Operation of Motor Coaches

13.3.1 This Section does not apply to SVCs except as noted in Subsection 13.3.2.

13.3.2 All Motor Coaches in revenue service will be operated by employees holding classification of MCOs or SVCs. This section shall not prevent the operation of Motor coaches by employees other than MCOs as follows:

13.3.2.1 Within the garage;

13.3.2.2 For change-out and testing purposes; and

13.3.2.3 In situations when MCOs are not available as a result of employee emergencies, employee absences or for supervisor reorientation.

13.3.3 MCOs are required to leave time points on schedule, however, when service is not adversely affected, the 0-5 minute arrival standard will be considered in determining on-time performance.

13.3.3.1 Supervisors will consider minimum travel time from the last service time point on the schedule to determine whether the motor coach operator is arriving at the garage too early.

13.3.3.2 MCOs are required to leave their scheduled time points on time, however, they may arrive up to 3 minutes early at the shift relief point or end of service point as long as service and safety are not affected adversely.

13.3.4 Motor Coaches with inoperable radios will be given priority in change outs, or be given a hand held radio when available for the purposes of safety.

13.4 Extra Board Operators

13.4.1 The Extra Board will be maintained at a level consistent with the needs of the department. The Extra Board will be established and maintained under the control of the Transit Director or his/her designee.

13.4.2 Extra Board Operators will be guaranteed a minimum of forty (40) hours of work per week with one (1) scheduled day off per week. Operators will also have a minimum of eight (8) hours of release from duty before commencing a new workday. Extra Board Operators assigned to work a regular bid run will receive the same guaranteed time as the driver regularly assigned to that run.

13.4.3 Extra Board Operators may bid in seniority order on regular runs available for four or more work days in a seven day period. Regular runs may become available as a result of new positions or temporary vacancies in regular assignments. Regular runs may also be available due to vacation, deaths, retirement, or termination of a regular operator. Extra Board Operators that bid on regular runs must retain that run until the regular operator returns or the next regular bid; whichever occurs first. Extra Board Operators may not bump other Extra Board Operators already on regular runs. Extra Board Operators who bid regular runs are still considered on the Extra Board.

13.4.4 Extra Board Operators will bid for the available day off by seniority. However, should an Extra Board Operator bid for an available regular run, that operator will be required to accept the days off assigned and will be paid 8/10 hours that are guaranteed for that regular run.

13.4.5 It is recognized that management may make necessary adjustments to accommodate the forty-hour (40) workweek guarantee and/or reduce unnecessary overtime.

13.4.6 The bidding process (Subsection 15.1) will be reviewed by management on a regular basis. Should problems arise, adjustments may be made with prior input from Union representatives.

13.4.7 The City agrees to make every reasonable effort to assign the Extra Board Operators regular hours of eight hours per day consistent with operational needs and the public interest.

14. SENIORITY

14.1 Seniority Determination

14.1.1 Seniority for the purpose of this contract is defined as follows:

14.1.1.1 For employees hired on or after February 1, 1965, seniority is established by the seniority list published and posted on February 1, 1965.

14.1.1.2 For employees hired after February 1, 1965, and before July 21, 1984, the current seniority list will apply.

14.1.1.3 The date of hire as a permanent MCO shall establish seniority. Drivers hired on the same date are required to draw lots to establish who is senior.

14.1.2 Seniority will be recognized for the following purposes:

14.1.2.1 Bidding on runs, and displacement privilege and days off.

14.1.2.2 Bidding on vacation.

14.1.2.3 Layoff and recall.

14.1.2.4 On promotions (when qualifications, performance and fitness are equal).

14.1.3 A seniority roster heretofore defined, will be posted on the bulletin boards to which MCOs shall have access at all times. Current seniority rosters shall be posted on March 15, June 15, September 15, and December 15 of each year and the Union shall be furnished copies.

14.1.4 Protest of Seniority Roster: A protest of seniority roster on current posted lists must be made within fifteen (15) days from the seniority list is posted, or the seniority list will be considered correct.

14.1.5 Employees will not lose their seniority rights while assigned to Physical Layoff (Department 98) provided the employee has not been placed on Physical Layoff more than one (1) time.

14.1.6 MCOs promoted or demoted within the Transit Department will have seniority reinstated upon returning to the position. Seniority will not be accrued while outside the MCO.

14.1.7 Seniority for SVCs will be reduced to a master list that represents the order already established at Sun Van. This list will become official when signed by the Chairman of the Local Committee of Adjustments and the City's Director of Human Resources.

14.1.8 Any permanent, non-probationary employee transferring to MCO or Sun Van will be put on the bottom of the permanent, non-probationary seniority roster.

15. BIDDING and VACANCIES

15.1 Bidding on Regular Assignments

15.1.1 Regular assignments will be advertised for bid. The bid notice will identify the type of assignment, number of hours, and time the bid procedure will close. New runs and vacancies between general bids will become a part of the Extra Board.

15.1.2 General Bid for Assignments: A general bid for all regular runs shall be conducted approximately every four (4) months, beginning in the month of June. At the direction of the Transit Director, a bid may be conducted anytime during the year to address budget or other administrative considerations. If this situation occurs, the next general bid will occur within a period not to exceed four (4) months. All bid boards will be posted two weeks prior to the bid. It is recognized that the general bid is for the benefit of the bargaining unit and no pay will be given for this bid process. General bid assignments start times will not be fluctuated more than fifteen (15) minutes before or fifteen (15) minutes after the original start time.

15.1.3 Bids to be made in accordance with the following criteria:

15.1.3.1 MCO's will bid for their respective runs in order of seniority. Any MCO failing to fill the MCO's position on the Board at the time allocated the MCO will be bid around by the other operators in their respective order, taking their choice of bids, including the one held by the operator not present to take the MCO's turn. Bidding done on the employee's time off is not time worked.

15.1.3.1.1 The bid will normally begin on a specified date, and end approximately 7 days later.

15.1.3.1.2 A member of the Union will monitor the entire process. Time spent monitoring the process will be paid as union time. Any gap between bid times will be considered paid time.

15.1.3.1.3 In most instances, drivers will be assigned to bid outside of times when they are on their regular work shifts. Other than extra board drivers, no driver will be required to bid during the MCO's assigned run unless doing so would hold up the bid board for more than three (3) hours. In such cases, the driver will be expected to submit a proxy bid to designate their choice of bids.

15.1.3.1.4 Drivers will be allowed fifteen (15) minutes to complete their bid.

15.1.3.1.5 Both Union and management will have a copy of all proxy bids.

15.1.3.1.6 If requested by the Union, there will be two bid boards, one for bidding, and the other for review by those drivers waiting to bid.

15.1.3.2 SVCs will be allowed to bid on regular assignments in accordance with the MCO criteria set forth in Section 15.1.3. The assignments to be bid will be posted. The bidding process is for the benefit of the bargaining unit and no pay will be given for this process.

15.1.3.2.1 The bid process will occur every four months. The Union Sun Van representative will monitor the entire bid process. Time spent monitoring the process will be paid as Union time. MCOs will assist the bid process only when the Union monitor is not available.

15.1.3.2.2 Drivers are allowed fifteen (15) minutes to complete their bids. All proxy bids will be kept in a locked box. The Union and management will have the only keys. There will be two bid boards if requested, one for bidding and one for those waiting to bid. Drivers are not required to be present to bid.

15.1.3.2.3 Drivers may submit a list to the Union of five (5) choices of schedules in order of preference. The Sun Van representative union member is authorized to bid for an absent driver.

15.1.3.2.4 Proxies are required if any SVC is not available for the SVCs bid time. The Union will bid for any SVC who is not present to bid during the SVCs time and who has not presented a proxy.

15.1.3.2.5 The parties will make all reasonable efforts to complete the bid process within two days.

15.1.3.2.6 The bid board shall be maintained for one week following the conclusion of a bid to allow operators the opportunity to place written comments concerning any issue related to assigned runs. The comments may include safety issues and situations where operators are not receiving at least an eight (8) hour relief time between assigned runs. The comments will be maintained by the Union. The issues shall be the subject of discussions between the Department and the Union.

15.1.3.3 In the event an operator is on duty when his/her turn comes to bid on the assignment but time will not permit him/her to be at the place of bidding, the operator will not be bid around.

15.1.4 Assignment Changes: When a regular or extra assignment is so changed that working conditions are materially changed, the parties shall meet and confer in an attempt to determine the most efficient manner to resolve the situation. If the situation is not resolved by mutual agreement a new bid will be conducted to follow the agreement. In the operations and application of this section the following will be considered a material change: Change of over two (2) hours in signing on or off assignment.

15.1.4.1 Once posted, the daily board will not change MCO or SVCs assignments without notifying the employee. If an MCO or SVC has a tardy or missout due to lack of notification of an assignment change, the MCO or SVC will not be subject to disciplinary action as a result of the tardy or missout.

15.1.5 Regular Assignments – All passenger service work that can be combined to provide eight (8) or more hour's work and having a regularity

of five (5) or more days per calendar week will be established as regular assignments. Regular assignments may be split only once without payment of continuous time.

15.1.6 Route schedules prepared by the Transit Department shall be presented to the Union for review by the Union. The Union shall submit its proposed changes in writing to the Department no later than one (1) week prior to the posting of the bids. The Department shall consider the recommendations and prepare a final schedule for implementation.

15.1.7 Although the Department does not guarantee each driver a forty (40) hour per week work schedule, the Department will continue to schedule drivers in a manner that uses the forty (40) hour schedule as its goal.

15.2 Route Committee

15.2.1 A Route Committee will be established to provide the Union and employees the opportunity to review a proposed bid before it is submitted to the drivers. The Union shall appoint a maximum of two (2) MCO employees and one (1) SVC employee to the committee. The committee will be advisory only. The parties shall meet at mutually acceptable times. In addition to consulting on the bid, the parties shall address the rest period and lunch time issues and recommend changes to the ABQRide Director that will maximize compliance with the goals set forth in Section 12.4 of this Agreement.

15.3 Assignment Exchanges

15.3.1 Assignment exchange is an agreement between two drivers trading assignments for one day or part of a day. It shall not be the responsibility of the City to make any monetary adjustment regarding the execution of an assignment exchange.

15.3.2 Drivers who participate in an assigned exchange must provide written, signed agreement to exchange assignments to the operation supervisor at least 24 hours prior to the starting time of the assignment exchanged. This provision shall also apply to employees who wish to exchange a mandatory overtime assignment.

15.3.2.1 It shall be the responsibility of the operator initiating the request to submit all required paperwork. Also, it is the responsibility of the operators to sign the sign-on sheets in the area designated for run exchanges on the date of the exchange. Failure to comply with this subsection will disqualify an operator for such privileges for up

to one year. Assignment exchanges will be limited to no more than 4 per quarter per individual whether you are the requesting or agreeing operator. Exchanges will be subject to approval by Division Manager or his/her designee. If an employee is denied the request, the employee shall be provided a reason for the denial. Upon request, the employee's designated union representative shall be provided the reason.

15.3.3 The Operator who agrees to work that shift shall be responsible for execution of shift, in the event an operator reports off for any reason, and the vacancy necessitates overtime; then the operator responsible shall be docked the overtime at time and one-half. In the event an operator reports off for any reason when he is to execute this trade agreement, and the vacancy does not necessitate any overtime, then the shift shall be paid back as agreed upon, at the Department's discretion, or within thirty days. The Tardiness and Missout, Subsection 12.3, will apply to assignment exchanges.

15.3.4 A driver will be eligible for paid sick leave while on an assignment exchange with proper documentation. If the driver doing the assignment exchange reports off sick and is granted sick leave, the driver will be charged for that leave.

17.3 Physical Examinations

17.3.1 The City will bear the expense of in-service medical examinations required by the City. The City reserves the right to designate the examining physician. 20.1 Transfers/ Promotions

20.1.1 MCOs and SVCs are not subject to an additional probationary period when transferring or being promoted within the department.

20.1.2 During this period of probation, the City will evaluate the employee's performance and determine whether the employee should be retained or discharged. This is the last step of the selection process.

20.1.3 Should an employee transfer into the position of MCO or SVC from another City position, the employee will receive the rate of pay closest but not lower than the employee's his/her current pay rate and must be within the pay range established for MCOs and SVCs. (See Section 15, Seniority).

22. PERSONNEL FILES and RECORDS

22.1

When discipline is being considered for an employee, and the employee has not received any discipline for a period of two years before the date of the misconduct for which discipline is being proposed, then any written reprimand(s) issued more than two (2) years before the date of the alleged misconduct will not be considered in deciding the proposed discipline. Written reprimands issued more than two years before the date of the alleged misconduct may be considered if the employee has not been discipline free for two years. In addition, if the Union President and the Human Resources Manager over Employee Relations agree that the employee has a pattern of misconduct which appears to be “timed” or “spaced” to take advantage of this two year term, then this two year term does not apply.

22.2

24. DISCIPLINE and INVESTIGATIONS

The revised deadlines in Section 24 shall become effective for facts arising on or after May 1, 2019.

In this Contract, City business days (“CBD”) means Monday through Friday, excluding Holidays as recognized by the Chief Administrative Officer. Other than the unilateral extension for investigations, all the deadlines below may be extended by agreement of the Human Resources Manager and the AFSCME Staff Representative or Local President. The request will be sent to the Staff Representative and the Local President. The Local President or

Staff Representative may respond. If AFSCME does not respond within 3 CBDs, then the City will automatically have an additional 5 CBDs extension. If the request is made before a deadline expires then AFSCME and the City may mutually agree on a time frame, and agreement will not be unreasonably denied. If the request is made after a deadline has expired, then the request may be denied by AFSCME. A request to extend time limits made by the Union will not be unreasonably denied.

When notifying of an extension of the investigation, or requesting agreement to an extension, a reason will be provided. These may include, but are not limited to, legitimate delays in the process, absent employee(s), employee conduct caused delay, investigations involving multiple employees, factual overlap with another investigation, involvement of third parties as witnesses or investigators, statutory claims such as Title VII, the volume of investigations in a Department, or an investigation involving violence, serious injury or fatality, or serious property damage.

24.1 Disciplinary Actions

24.1.1 All complaints from citizens against drivers will be accepted by the Transit Department. Citizen complaints that might result in disciplinary action or a loss of pay for alleged "gross misconduct" as defined in Department policy will be in writing. The City, in its sole discretion, may take steps to corroborate the information in an anonymous complaint, defined as a caller who does not provide a name or a form of contact information, with additional supporting evidence. If an anonymous complaint indicating an alleged violation of City rules or regulations is corroborated with other evidence verifying the anonymous complaint, then the City may rely on the anonymous complaint and the corroborating information in further action, including but not limited to an investigation or discipline. The Union may contest the imposition of discipline consistent with this contract, but not the City's reliance on verified GPS data.

24.1.2 The Operator of a Sun Van or Motor Coach will be made aware of any and all complaints made against him/her. The Operator may file his/her written response to any complaint. Such written response will be attached to the complaint filed.

24.1.3 A hearing shall be convened to allow the employee and the employee's representative the opportunity to explain the reasons for the employee's actions or lack of action which may result in disciplinary action other than an oral reprimand. The affected employee shall be paid for time spent at the employee's pre-determination hearing.

24.1.4 An employee shall have the right to Union representation at all stages of an employee's disciplinary proceedings.

For discipline initiated on or after May 1, 2019, all notices to be provided to employees under Section 24 will be hand-delivered or emailed five (5) CBDs before the interview or hearing, if the employee is available or an email address is known. Otherwise, notices will be sent by certified mail to the last known address; and will be sent at least eight (8) CBDs before the interview or hearing.

24.1.5 Employee investigations and notices of contemplated disciplinary actions shall be implemented in the following manner:

24.1.5.1 If an employee is not placed on investigation, disciplinary process shall be initiated against an employee no later than ten (10) work days after the employee's supervisor knew or reasonably should have known of the act that caused the disciplinary action to be initiated.

Effective May 1, 2019, if an investigation is conducted, the City will have twenty (20) City Business Days (CBDs) to issue a notice of contemplated action/predetermination hearing to the employee, measured either from the end of the investigation period (45 to 90 calendar days, or another term agreed to by the parties), or from the date an employee is notified the investigation is complete if notice is issued.

24.1.5.2 For the purposes of this provision only, "initiated" shall mean the written communication of a notice of contemplated disciplinary action to the employee.

24.1.5.3 Prior to May 1, 2019, if the employer decides to conduct an investigation the employer shall submit a written notification of investigation to the effected employee no later than twenty (20) business days after the employer knew or reasonably should have known of the act for which the investigation is being initiated.

For investigations initiated on or after May 1, 2019, the City shall submit such written notification of investigation to the affected employee no later than ten (10) CBDs after the supervisor knew or reasonably should have known of the act for the investigation being initiated. The City shall inform an employee if they are a target for discipline or a witness of the investigation. During the investigation

phase, the City will provide a target with a summary of what occurred, and what City rule or policy may have been violated; such as “there was an accident on [date] at [location], and we are investigating whether you violated City rules regarding safe driving.” A witness will be provided a summary of what occurred. The City’s provision of this information does not limit the scope of the City’s investigation, or the City’s ability to ultimately allege different or additional violations in a Pre-Determination Notice or the investigation, or to begin a parallel investigation making a witness a subject. The union representative (“UR”) will be provided a copy of the Notice of Investigation, by the City or employee, when requested. Should a witness become a target, the original investigation timeline shall be retained for the original act(s), and a new investigation timeline commences for the new target, unless the Union and City agree to broaden the initial investigation.

For the purposes of this section, the employer is defined as the department director or his or her designee. Any supervisor who knows or reasonably should have known of the act which is being investigated must immediately notify the department director.

24.1.5.4 Throughout the investigation period, the Union may request a verbal progress report on the investigation from the human resources coordinator or the employee’s division manager. The Supervisor shall provide this report provided the report does not jeopardize the conduct of the investigation. An employee disciplinary investigation shall normally not exceed forty-five (45) calendar days from the date an employee receives a notice of investigation as cited in paragraph 3 herein. If the City determines that the investigation needs to be extended beyond the calendar forty-five (45) day limitation, the City may unilaterally submit a written notice of extension to the employee no later than forty-five (45) days after the employee received the initial notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the human resources coordinator or the employee’s division manager. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process.

For investigations initiated on or after May 1, 2019, the following shall apply. An employee disciplinary investigation shall normally not exceed forty-five (45) calendar days from the date an employee receives a notice of investigation. If the City determines that the investigation needs to be extended beyond the forty-five (45) calendar day limitation, the City may unilaterally extend the

investigation up to an additional forty-five (45) calendar days by submitting a written notice of extension to the employee no later than forty-five (45) days after the employee received the initial notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the human resources coordinator or the employee's division manager. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process. Unless a mutual extension is agreed to by the Union and City after 90 days, the investigation will be considered complete. The City will inform target(s) and witnesses when an investigation is closed and no further action or discipline will be taken. The City will have 20 CBDs to issue a Pre-Determination Notice, from the date an employee is notified the investigation is complete if a notice is issued but no later than the end of the investigation period (45 or 90 calendar days)..The Pre-Determination Notice will include a term substantially similar to the following:

“Should the complaint be substantiated by the evidence, or if this Notice is not contested, then Management would propose a discipline of _____. This does not limit the employee's ability to submit a self-imposed discipline less than what was recommended or the City's ability to impose discipline up to and including termination should the evidence warrant.

For discipline initiated on or after May 1, 2019, the City will have 25 CBDs to issue a Notice of Final Action measured from the Pre-Determination Hearing. Unless an extension is agreed to by the Union and City, no discipline may be issued after any missed deadline.

24.1.6 In the event disciplinary action is taken against an employee other than the issuance of an oral warning, the employer shall promptly furnish the employee with a clear and concise statement in writing of the reasons therefore.

24.1.7 Nothing in this Section shall prevent the employer from disciplining or discharging employees for just cause. Any such decision may be subject to the grievance procedure.

24.1.8 When discipline is to be imposed, progressive discipline will be considered when it appears that the merits of the case would lend itself to this procedure.

24.1.9 When possible, the employer agrees to criticize employees in private away from the public and other employees. Each party may have a witness present.

24.1.10 An employee may propose in writing to management a level of discipline the employee will accept for an offense prior to management imposing disciplinary action. If management accepts the discipline proposed by the employee, the issue will be considered settled and the action will not be grieved.

24.2 Investigations

24.2.1 The parties acknowledge that investigations of disciplinary actions should be conducted in a manner which affords the employees involved an environment that is conducive to problem solving. Union concerns over investigations will be addressed through the Office of Human Resources.

24.2.2 Employees who are the subject of a disciplinary investigation shall be permitted to have union representation upon request. The employer shall not be required to delay the investigative interview more than ½ hour while the employee obtains union representation.

24.2.3 The Human Resources Office and the Union President shall continue to meet to discuss issues of mutual concern related to disciplinary and supervision issues.

25. GRIEVANCE and APPEAL PROCEDURES

25.1 Grievance Procedures

25.1.1 Nothing in this Agreement shall prevent any employee from instituting or pursuing any grievance of a letter of reprimand on the employee's own behalf or with the assistance of the Union, in accordance with the provisions of the Merit System Ordinance. For purposes of employee discipline of either five (5) days suspension or less or a letter of reprimand, only, employees may use the City's Merits System Ordinance § 3-1-24 Grievance Resolution Procedures and § 3-1-25 Appeal from Suspensions, Demotion and Discharge and Appeal.

25.1.1.1 The parties agree that disciplinary actions held in abeyance are not subject to any grievance procedure.

25.1.2 The aggrieved employee may have representation at any time or step in the grievance/arbitration procedure. If an employee institutes a grievance under the provisions of Section 3-1-23 of the Merit System Ordinance in effect on the employee's own behalf, in accordance with this Section, the employee's representative will comply with the provisions of Administrative Instruction 1-11, as currently in effect, governing the Grievance Committee Process.

25.1.3 As a condition of employment, employees are required to appear as witnesses in grievance/arbitration hearings when requested by the aggrieved employee or by the City. Five (5) City Business Days before a hearing, or as required by a forum's rules or scheduling order if longer where applicable, a grievant, or the Union, or both will inform one Human Resources Coordinator in each Department(s) of current City employees who are called as witness(es) by the grievant/union, along with the date, time and place of the hearing. The City will require the witnesses to appear, and require the witnesses to request leave as "PLO" and specify that the reason is to be a witness. The request for leave will be granted. A grievant may also use any service of process which a proceeding allows. An employee called as a witness during working hours shall be paid at the employee's regular rate. The employee will be required to return to work when the employee is no longer needed as a witness.

25.1.4 An employee called as a City witness during time off shall be paid for the time spent at the hearing,. This time is considered time worked for the purpose of computing overtime compensation.

25.1.5 Any action resulting in the filing of a grievance/arbitration shall be processed according to the procedures in effect at the time of the filing of the grievance/arbitration as provided by the Merit System Ordinance or the Collective Bargaining Agreement. If an employee wishes to appeal a disciplinary action that is subject to this Grievance Procedure, the employee shall elect to use this Grievance procedure or the City's Merit System Ordinance to appeal the action. If the employee decides to use the City's Merit System Ordinance to appeal a disciplinary action, the employee shall appeal the disciplinary action in writing and in accordance with the Ordinance no later than ten (10) days after the employee receives the written notice of disciplinary action. An employee who decides to use this Agreement's Grievance Procedure to appeal a disciplinary action shall appeal the disciplinary action by filing a written grievance no later than fourteen (14) days after the employee received the written notice of

disciplinary action. If the employee decides to use this Grievance procedure, the employee may not also use the Merit System Ordinance appeal procedures. If the employee utilizes the Merit System Ordinance appeal procedures, the employee may not use the Grievance Procedure appeal procedures. This decision shall be irrevocable. If the Union, at a later date, decides that the employee's grievance is not meritorious and withdraws the grievance, the employee may not submit an appeal through the Merit System Ordinance."

25.1.6 If an employee chooses to use the City's Merit System ordinance to appeal a discipline, provisions of this Agreement shall be admissible evidence at the employee's hearing before a Personnel Board hearing officer provided the provisions are relevant to the issue before the hearing officer.

25.1.7 An officer or a steward will be allowed reasonable time off with pay to represent an employee during a labor board, personnel board grievance or pre-determination hearing. The President/designee will be granted access to work sites to conduct inspections for the arbitration process. The parties agree that such access shall not disrupt the work place. Prior to access of the work site, notification will be given to the appropriate city official. Management may require that the Union President/designee be escorted while on the work site.

25.1.8 The Union may use either the labor board or binding arbitration for resolution of alleged contract violations, other written agreements and all discipline related grievances. During each year of this Agreement, the Union may use binding arbitration a maximum of five (5) alleged contract violations and/or discipline related grievances. Once the Union requests a panel of arbitrators, that action shall be counted as one arbitration for the purposes set forth herein. For purposes of this subsection, disciplinary related grievances shall be limited to the following:

disciplinary action, the Union must submit a notice of grievance or violation to the Department Director, with a copy to the Office of Human Resources. Such notice shall be as clear and concise as possible, based on information made available to the Union. The Department Director or designee shall schedule a meeting and meet with the grieving employee, the Union, and appropriate supervisory staff no later than fourteen (14) calendar days after the date the Department Director receives the appeal, but the failure to hold this meeting does not void, or grant, the grievance. The Department Director shall have fifteen (15) City Business Days from the date of the notification to respond in writing to the notification from the Union. If the Union is dissatisfied with the response, the Union may appeal the grievance to the Human Resources Director no later than ten (10) workdays after the Union received the Department Director's response. These deadlines may be extended by mutual agreement.

25.2.2 Step II: Within ten (10) workdays after receipt of the Union's appeal, the Director of Human Resources or designee shall meet with the Union President or designee and attempt to resolve any grievance issue. It is recognized that the Director and President have the authority to settle disputes.

25.2.3 Step III: If no resolution is obtained, the Union may initiate appeal proceedings within thirty (30) calendar days after completion of step 2, or forfeit the right to appeal the specific grievance.

25.2.4 Time Limits

25.2.4.1 In determining the time limits in this Agreement, the date of the grievable act or occurrence shall not be counted.

25.2.4.2 If the last day of any notice required by this Section falls on a holiday, Saturday or Sunday the time limit shall be extended to the next date that the City Administrative Offices are open for business.

The arbitrator's list shall consist of arbitrators from the region which includes New Mexico as defined by the F.M.C.S. The selection of the arbitrator shall be accomplished by the parties striking names until only one name remains. That person shall be the arbitrator. The party to strike the first name is determined by the flip of a coin.

In the event of a [Step III] grievance, the Union shall have 120 business days to strike from the date the City produces to the Union all evidence which supports its position in the grievance. Should the Union need additional time to strike for an arbitrator beyond the 120 business days, the Employer shall not be liable for damages for the period of additional time needed. Damages include, but are not limited to back pay or interest.

25.2.6 Disciplinary Arbitration/Personnel Board Procedures

25.2.6.1 The tape recording of the arbitration procedure is determined by the arbitrator.

25.2.6.3 The arbitrator's standard for determining the appropriateness of disciplinary actions shall be just cause.

25.2.6.4 The arbitrator shall have the authority to accept, modify or reverse discipline imposed by the city.

25.2.6.5 In the event of reinstatement, a reduction or rescission of a suspension or demotion, the arbitrator's award shall be limited to back pay and benefits for time lost, less any compensation received by the employee during the suspension, demotion or termination.

25.2.6.6 In researching a decision, the arbitrator may consider the Employee Relations Ordinance, the Merit System Ordinance, Personnel Regulations, Administrative Instructions, a collective bargaining agreement in effect at the time of discipline, contract violations, evidence and testimony relevant to jurisdiction and any valid City policy.

25.2.6.7 The burden of proof on alleged violation shall be on the appellant. The burden of proof in disciplinary grievances shall be of the City.

25.2.6.8 The standard of review on appeal shall be governed by the New Mexico Uniform Arbitration Act.

25.2.6.9 Challenges of an arbitrator's decision shall be filed in a court of lawful jurisdiction within sixty (60) calendar days of the filing party's receipt of such decision.

25.2.6.10 The parties are prohibited from violating written agreements in force which were negotiated in accordance with the Employee Relations Ordinance. Any controversy concerning an alleged contract violation may be submitted for binding arbitration or appealed to the Labor Board.

25.2.6.11 the arbitrator shall have the authority to interpret and determine compliance with the provisions of the Collective Bargaining Agreement. The Arbitrator may not add to, detract from or alter in any way the provision of the Collective Bargaining Agreement, the Employee Relations Ordinance, the Merit System Ordinance, the Personnel Rules and Regulations, or any valid City Policy.

25.2.7.6 Alteration of time requirements may be made by mutual consent of the parties. The Director of the Office of Human Resources and the Union President have the right to settle disputes.

25.2.7.7 As an incentive to avoid arbitration and its associated costs, at any time prior to the arbitration hearing, either party may submit a written settlement offer to the other party. Counter offers may be submitted in writing until agreement *is* reached, and signed by the parties, thus resulting in a shared cost of all cancellation fees, if any. However, if a written settlement offer is rejected the following shall apply:

25.2.7.7.1 If a party rejects a written settlement offer, and the arbitrator subsequently makes an award less favorable to that party than the rejected offer, and as favorable or more favorable to the party making the offer, the party rejecting the offer shall pay the costs of arbitration. If the arbitrator's award is not less favorable to any party than a settlement offer that has been rejected, or no settlement offer was tendered, the parties shall split the costs of the arbitration. The arbitrator shall retain jurisdiction to determine fees if there is a dispute as to the application of this Subsection.
