*Choose Access Point: use from library or use from home*

## Why We Recommend It:

- Learn Dutch, English, French, German, Italian or Spanish through an innovative approach that focuses on four core language learning skills: reading, writing, speaking and listening.
- With Auralog, users can design a personalized language learning program. Users set individualized learning objectives and goals, and can focus on language use in professional, everyday or travel situations.
- Auralog immerses the learner in an “authentic” language environment of sights, sounds, culture and people.

## What You'll Find Here:

- Developed by expert linguists, Auralog provides more than 2000 hours of language learning material for each language featured.
- Flexible content comes alive with crisp sound and lively graphics.
- Learning is maximized through simulated conversations, vocabulary and grammar exercises, interactive learning games and activities.
