

Storm Sewer System Bonds

NPDES Stormwater Quality MS4 Permit Compliance (EPA)	\$2,000,000	Plan, design, acquire property, purchase related equipment, construct and otherwise make improvements necessary to ensure compliance with the EPA MS4 Permit. Actions to ensure compliance may include, but are not necessarily limited to: public education programs, stormwater monitoring and/or design and construction of storm facilities.
Storm Drain and Pump Station Rehab	\$4,000,000	Plan, design, acquire property, construct, and purchase equipment necessary for storm drain and pump station rehabilitation activities, including but not limited to site flows in the South Broadway Storm basin. COUNCIL AMENDMENT: Of this amount, \$1,500,000 shall be designated for drainage improvements in the Pueblo Alto Area, \$1,000,000 shall be designated for the Marble Arno Detention Basin/Future Pump Station, and \$500,000 shall be designated for the Santa Fe Village/Petroglyph National Monument drainage project.
Advanced Planning and Engineering	\$300,000	Long-term planning, engineering, and drainage management studies to help provide a logical and meaningful Storm Drainage Program. Activities are used to fund the planning, design, land acquisition, and construction of individual projects as necessary.
Marble Arno Detention Basin/Future Pump Station	\$4,300,000	Plan, design, acquire property, construct and purchase related equipment necessary to build Marble-Arno Stormwater Detention Basin and Pump Station. The facility will replace the Post-Office Pond and the Broadway Pump Station and remove floodplain.
Near Heights SD Rehab	\$500,000	Plan, design, acquire property, construct, and purchase related equipment necessary to implement new storm drainage improvements to minimize the potential of flooding.
1% for Public Art	\$110,000	As provided in the City's "Art in Municipal Places" ordinance, one percent of each bond purpose shall be provided for Public Art.
Total	\$11,210,000
