AGAIN

## LUNA PROJECT

WHEN THE BOSQUE BURNED NEAR THE OPEN SPACE VISITOR CENTER IN 2011, GREEN COTTONWOOD TREES WERE TRANSFORMED INTO CHARRED WOOD AND SMOKE. JUST ONE YEAR LATER, THE BURNED AREA IS CHANGING INTO A LIVING ENVIRONMENT AGAIN. THE ARTISTS OF LUNA PROJECT HAVE CREATED WORKS THAT RESPOND TO THIS CYCLE OF DESTRUCTION AND CREATION USING REMNANTS AND METAPHORS FROM THE FIRE.

ALBUQUERQUE OPEN SPACE VISITOR CENTER  
6500 COORS BOULEVARD NORTHWEST  
ALBUQUERQUE, NEW MEXICO 87120
