

SITE DEVELOPMENT PLAN FOR SUBDIVISION CHECKLIST

This checklist will be used by the Planning Department to verify the completeness of site plans submitted for review by the Environmental Planning Commission (EPC) and Development Review Board (DRB). Since development proposals vary in type and scale, there may be application requirements that are not included here and others that may not be necessary. Nonetheless, it is the applicant's responsibility to provide a complete submittal. The EPC and DRB will not consider incomplete submittals.
