

Dear Councilor Debbie O'Malley

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely,

Sarah Baca
Address: 227 Englewood St.
Albuquerque NM 87102

Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely,

PLEASE build, am looking forward
for WAL-MART in this location

Dear Councilor

Ken Sanchez

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely,

Patricia Kramme

Additional Comments:

Dear Councilor Ken Sanchez

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

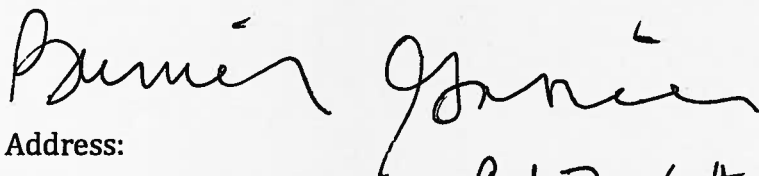

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely,

Address:

6101 Agate Ave NW

Additional Comments:

Dear Councilor Debbie O'malley

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

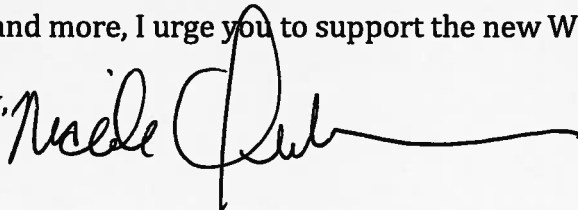

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Dear Councilor Ken Sanchez

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

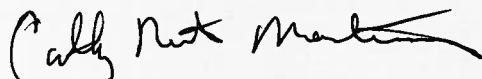

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely,

Miranda Schiller

I support the new Walmart at Coors and Montano. As someone who lives in your district, I'd like to urge your support of the new store too. I think it will benefit residents on the West Side by bringing necessary jobs and shopping to our district.

A new store at Coors and Montano will make shopping more convenient for West Side residents. The Walmarts that are already on the West Side are extremely overcrowded. If a new Walmart is built, it will help ease the crowds at the other Walmarts. That will allow residents to get their shopping done quicker and easier. Also, with the new store, we won't have to drive all the way down Coors to get to a Walmart.

Also, the new Walmart will provide 250 new jobs to individuals in Albuquerque. In this economy, that's saying a lot. I think we should do all we can to make employment available to residents of our city and district.

Finally, the new Walmart will certainly be more attractive than the dirt lot that is there now. Walmart is planning to build bike lanes, grassy areas and walking paths throughout the shopping center. More importantly, its roof will be at an appropriate height, allowing us to still have a clear view of the Bosque and the Sandias.

All in all, I think the new Walmart at Coors and Montano will only help make the West Side's commercial zone a more convenient and attractive area. For all these reasons and more, I urge you to support the new Walmart at Coors and Montano.

Sincerely, Margaret Neely
