Foothills CPC Meeting Guidelines:

All attendees (members) are encouraged to submit recommendations, provide input concerning recommendations, ask questions, and submit topics for discussion. Comments and questions should be respectful and are limited to approximately two minutes to facilitate discussion by the greatest number of participants.

CPC Goals:

The goal of each Community Policing Council is to establish trust and engage in meaningful dialogue between Albuquerque police and the citizens they serve. The councils are encouraged to identify concerns, problems, successes and opportunities to enhance public safety within each area command and for the city as a whole, and to formally recommend changes to Albuquerque Police Department policies and procedures.
