National Night Out Recap: Thanks to all who registered National Night Out events for this year. The Foothills Area Command had **48 registered National Night Out events and 1 last minute event.** It was great to see the block watch groups, neighborhood associations and houses of worship host events to meet or reconnect with community members.

We had Commander Collins, Lieutenant Simmons, Lieutenant Sanchez, Lieutenant Garrett, Sergeant Anaya, Sergeant Vigil, Sergeant Price, Officer Miranda, Officer Velasquez attend events and we 'borrowed' Commander George to help us cover all of events with APD visits. I went with our Foothills team member Samantha Martinez to multiple events as well.

The amazing response just shows how much **our Foothills community is engaged** and wants to participate in these types of events to form solid partnerships. Thanks again to everyone who took the time to plan, host, register, cook, scoop ice cream, display a classic car, play music, or clean up and be a part of 2018's National Night Out.

I have submitted photos took from the Towne Park and Glenwood Hills events to onc@cabq.gov - please feel free to send your National Night Out photos there too. You may see your National Night Out photos on their web page or in an upcoming e-newsletter.
