Nora from APD: Neighborhood watch – if anyone is interested contact Laura Kuehn (505-768-2006 or lkuehn@cabq.gov) she will give a starter packet and let you know what is needed. When you become a block captain, we assign an officer who you can communicate, however that does not mean you can contact them at any time given when things happen, and you still have to call 911.

There will be a neighborhood watch meeting on Saturday October 27th.

Q: When you say you are assigned an officer but still have to call 242-cops or 911, how does that go?

A: Sometimes the officer won't be on duty and instead of waiting, you can just call the station.

Q: When you are engaging with neighborhood watch, do you have them engage with danger or have them wait for APD?

A: We recommend them to always call APD and to not engage.

6. Crime report from APD

- Auto Burglary: 157 up by 25%
- Auto Theft: 83 up by 30%
- Commercial Burglary: 19 down by 11%

- Traffic Stops: 455 up by 13%

Most of these crimes came from Sun Village Apartments

If you go to crimemapping.com you can see crimes or put a crime or anything that has happened around your area.

Q: How long does it take to post on crime map site?

A: I do not have an answer on that because I do not know.

Q: Is it true it take a while for reports to be submitted?

A: No, officers turn in the report by the end of the shift, it just takes a while for it to be reviewed.

7. Report from James Lewis on progress of Use of Force

We want to get someone from Compliance to come speak, I will have to defer on reporting on this.

Q: How is it going generally?

A: The DOJ wanted to modify the language on there, we had to get the monitors in a room to agree on that language.

The monitors will be here November 5th – 9th to update them with our process. Also on November 10th we will be holding a Town Hall meeting that will update the community with the CASA. It will be from 2:00 pm – 4:00 pm. Please RSVP to APDCompliance@cabq.gov if you would like to attend.

Q: AMICI represent everyone in the city?

A: No, but people who are in it are citizens from different groups, like the CPC's, MHRAC

Q: What is the timeline on the CASA or have other cities closed this down?

A: There isn't a timeline until the Judge decides and on the website it have a list of the cities that are in compliance.

Q: Is there a checklist with the CASA?

A: Yes, there is a checklist they have to go through to make sure everyone understands.

Q: Who pays for the monitors?

A: The city pays for them.

8. Discussion of pending recommendations and input from attendants concerning format of future meetings and suggestions for upcoming presenters.

Two recommendations we are working on:

- We are writing one to have a commander stay on for 3 years
- Voice recognition software

Suggestions for presenters:

CSI - explain their process and what they have to go through.

Have someone come and talk about mentally ill crimes and how to approach.

Will try to get the Compliance department come speak in January.
