Lead with Experience

The City of Albuquerque, Department of Senior Affairs Retired and Senior Volunteer Program (RSVP) is recruiting volunteers 55 years of age and older for the following opportunities. **For more information call 505-767-5225**

Road Runner Food Bank-Healthy Food Center (HFC): HFC is a medical referral food pantry. People experiencing both food insecurity and a nutrition related chronic condition are screened and referred to HFC. Clients are then able to visit the pantry once a week to select fresh fruits, vegetables, dairy, protein and other healthy items. Volunteers are needed Monday thru Saturday for various positions including Front Desk, Checkout, and Stocking. Shift hours vary. Please call 505-767-5225 for more information.

Silver Horizons-Silver helping Seniors: Every month, Silver Horizons partners with the City of Albuquerque to provide free groceries to over 3,500 seniors, and to about 1,200 grandchildren many of these seniors are raising. Together, we are making a big, positive difference in the lives of so many of our elderly. But we can't help these struggling seniors without volunteers. Opportunities to help include volunteering in Silver Horizons' food warehouse, distributing food and helping seniors shop at food markets, and joining our volunteer staff at Silver Horizons' thrift store. Please call 767-5225 to learn more.

Storehouse New Mexico: Support New Mexico's largest food pantry. Storehouse provides FREE food to people who are struggling. Customers select their own food once a calendar month. Storehouse is a private pantry, not a government agency. Changes in food supply/donations result in changes in food service. Volunteer opportunities include sorting and repackaging food, helping and directing clients during food distribution. Volunteer hours include Wednesday through Friday from 8am-4pm and Saturday's from 8am-1pm. Please call 505-767-5225 for more information

OASIS - Intergenerational Tutoring Volunteer: In partnership with school districts, Oasis volunteer tutors are paired with children in grades K-3 who teachers feel would benefit from a caring, one-on-one mentoring relationship. You can change a life by providing the individual attention that helps children build confidence and experience success. The commitment is for one hour, one day a week for the school year. Oasis will train all reading mentors/tutors, process the required background check, and then coordinate your placement in an elementary school. Please call 505-767-5225 for more information.

- Be part of the largest volunteer network for people 55 and older
- Apply your skills to make a difference in the community
- Volunteers who serve, frequently live longer and report better health
- Volunteering can also lead to more friendships and a positive attitude

Los Volcanes Fitness Center: Looking for a volunteer to serve on Saturdays between the hours of 8am to 4pm for 2 to 4 hours based on need. Duties would include: Scanning members as they enter the facility to workout, help answering member questions, giving a tour of the facility to interested members and answering phones. Additional assistance may be required by staff when busy and things arise. For more information, call 505-767-5255.

Mealsite Volunteers: Volunteers are needed to serve at various mealsites providing clerical support for the meal site coordinator, in the kitchen during meal times, calling bingo, assisting as a driver or leading activities. For more information, call 505-767-5225.

Help where it's needed most! Benefits for RSVP members include excess accidental and liability insurance and limited mileage reimbursement.

COME JOIN US FOR BREAKFAST 8:00am - 9:00am Monday - Friday

City of Albuquerque - DEPARTMENT OF SENIOR AFFAIRS - Nutrition & Transportation

ATTENTION BREAKFAST PATRONS:

Due to a City of Albuquerque, Environmental Health Department directive, we will no longer be permitted to serve soft-cooked eggs.

- This directive is due to Salmonella Enteritidis, which can be found in unpasteurized eggs, & can put highly susceptible populations at risk of severe illness.
- The Environmental Health Department has designated senior centers to serve highly susceptible populations.
- Cooking unpasteurized eggs to 145° for at least 15 seconds, destroys Salmonella Enteritidis.
- Sunny side up, over easy and soft scrambled eggs do not reach 145° and therefore will no longer be available at senior centers.
- Over medium, over hard and well scrambled eggs will still be available.

We apologize for any inconvenience this change in policy might present. Please call Bob Manymules, Food Production Supervisor 505.764.6457, for further information.
