Mayor Tim Keller & First Lady Elizabeth Kistin Keller challenge you to step up and show everyone what makes us **One ABQ!**

## THE SERVICE CHALLENGE

Make time in August to engage in a community service project that connects youth and elders in our community and then challenge others to do the same! The goal is to have projects that reflect our city's creativity, diversity, and needs.

**Share your work & challenge others to get engaged using #ThisIsABQ!**

## PROJECT IDEAS

- Develop a project connecting students with seniors in a nearby nursing home
- Mobilize neighbors of all ages for a yard project or repairs at a senior's home
