Gorden,
On Oct. 7, 2015 at our New Mexico Sheriffs' Association fall meeting the Sheriffs voted to support the return to work bill. In attendance we had 22 Sheriffs plus two proxy votes. We will be at your side pushing on the return to work bill. Sorry I didn't get back to you yesterday but i am in Tulsa. I will be returning end of week so we can plan some joint meetings.

Thanks,

Jack LeVick
Executive Director
New Mexico Sheriffs' Association

Jack,

As we discussed, I need to know if the NM Sheriffs Association will support a law enforcement return-to-work legislation? If so, do you know the level of support you have from our elected Sheriff's?
