One Albuquerque Award

- Joshua Perez will receive this month's award and has already been contacted.
- We should give them a goodie bag that includes a t-shirt, stickers, a photograph with the Mayor in a frame that says "Volunteer of the Month" and has the date on it.
- Doug will send Board different options of photo/frame for Volunteer of the Month and the schedule of how the recognition event will take place (Mayor to speak first, Tim Sheahan talks about the purpose/process and why this Volunteer does the work that they do, etc.)
- Add Volunteer of the Month to website page every month.
- Record what Mayor says and send the link the Volunteer of the Month. (Also upload to Youtube and website)
- Good idea to work from pool of nominations that were received for the Mayor's Day of Recognition since we already have vetted them.

June Agenda

- Make decision for Volunteer of the Month process.
- Go over the rating and ranking sheet.
- Board can come to next month's meeting with their top nominees.

New Board Members

- Email them the top nominee forms so they have time to review
- Send them the mission statement
- One Albuquerque statement

Nomination Forms

- Possible questions to ask:
 - Going above and beyond? (everyone volunteers but what are they doing that is above and beyond?)
 - Impact
 - One Albuquerque (how they exemplify this)
 - Innovation and creativity
 - Why they volunteer (what drove them to do it?)
- Don't need on application:
 - Money contribution
 - No political volunteers (unless they really prove that the work they are doing is not just for a political party but to help the people)

Next meeting is Wednesday, June 19, 2019 at 8:30 a.m. Location to be determined.
