 - How to provide award if recipient is unable to attend?
 - Volunteer should receive award, even if they cannot make it - Ann
 - Should we make this a quarterly thing? – Dathan
 - Patricia liked the coupling of awards. Additional fanfare is nice and quarterly may be the way to go.
 - Frequency driven by Mayor’s calendar. We may have to accommodate. Rule we’re creating – recipient of the month receives the award, no matter what—and we need more nominations. Is the event evolving into what we want it to be? Do we need to take additional action.
 - Hallee – quarterly “volunteers of the month” may be weird.
 - Patricia – We should ask attendees of SoC for volunteer of the month nominations.
 - Tim – Pull emails from SoC attendees.
 - Nick & David will push for nominations.
