YTD IMPACT BY THE NUMBERS

SIGNIFICANT RESPONSE ACTIVITIES

- CORA connected a DV client to methadone treatment at New Seasons Treatment Center. CORA also provided clothing, food, and safe temporary placement through Heading Home.
- CORA received a referral from a Community Responder unit. Mother, father, and son were in need of emergency housing assistance due to a house fire. CORA was able to connect the family to a Wellness Hotel. CORA will continue to work with the family on future housing options and provide other resources.
- CORA coordinated an internal donation drive to sponsor a family who needed support during the holidays.
- CORA was able to assist a victim of gun violence who also had mental/behavioral health disabilities. With the assistance of a Behavioral Health Responder unit, CORA was able to get the victim to a hospital and have staples removed. The victim's mother was very grateful and stated she had three failed attempts to get him to the hospital.
- CORA assisted 34 adults and 10 children in December, connecting them to resources following a life-altering event.
- CORA assisted three individuals impacted by domestic violence, supporting them and assisting in getting them connected to resources.

PROACTIVE AND ONGOING COMMUNITY ENGAGEMENT ACTIVITIES

- CORA coordinated a toy drive in partnership with the Albuquerque Police Department SE Area Command for Christmas. The toys were donated to Vizionz-Sankofa and went to the children in the African Refugee Community.
- CORA is a proud member of the Gun Violence Prevention and Intervention Task Force and serves on two of its sub-committees.
