## YTD IMPACT BY THE NUMBERS

## SIGNIFICANT RESPONSE ACTIVITIES

- CORA has made connections with First Nations, Heading Home, and YDI crisis team to offer resources and support for victims of domestic violence.
- Following the tragic homicide on UNM's campus, CORA conducted outreach offering the students and staff impacted support and resources.
- CORA received a referral from APD regarding a mother and small child at a hotel. When CORA contacted the mother they found that the mother and child were in need of case management services to help the mother achieve long-term housing stability. CORA also discovered safety concerns for the child's well-being. CORA worked with APD and CYFD regarding those concerns. CORA worked with community partners to support the mother and child. Mother is now receiving case management services with First Nations helping her achieve long-term housing. She signed up for substance abuse and behavioral health services.
- CORA was able to get a woman and her daughter relocated whose neighbor attempted to sexually assault and murder the daughter. CORA assisted in finding this family emergency shelter, finding an apartment, and getting a deposit and first month's rent aid. CORA also got mom and daughter connected to counseling. CORA relied heavily on collaboration with community partners to support this family.

## PROACTIVE AND ONGOING COMMUNITY ENGAGEMENT ACTIVITIES

- On 11/9/2022, CORA, along with VIP, attended the Community Conversations Supporting Victims of Crime event to reinforce CORA as a resource to connect victims of crimes and their families to services.
- CORA is a proud member of the gun violence prevention and intervention task force and serves on two of its sub-committee
