

VICTIM OF GUN VIOLENCE? OUR PROGRAM CAN HELP YOU!

ASK YOUR NURSE, SOCIAL
WORKER OR CASE MANAGER
TO CONTACT US
OR CALL US DIRECTLY.

Our VIP Peer Support Team
can help you, your family
and loved ones when you
are released from the
hospital.

Our services often begin by
speaking to you briefly in
the hospital with the goal to
help you set up a plan.

Feel free to contact us
anytime, whether you are in
the hospital or released.

After the medical services
are complete, the real
healing journey begins.
