 - (2) the public interest, including the social and economic value of the sources and subjects of air contaminants, with due consideration for environmental justice principles; and
 - (3) technical practicability and economic reasonableness of reducing or eliminating air contaminants from the sources involved and previous experience with equipment and methods available to control the air contaminants involved.

B. If a quorum of the board attended the hearing, and if the hearing notice indicated that a decision might be made at the conclusion of the hearing or meeting, the board may immediately deliberate and make a decision on the proposed regulatory change at the end of the hearing or at a board meeting after the hearing.

C. If the board does not reach a decision at the conclusion of the hearing or meeting, then, following receipt of the transcript, the hearing clerk shall promptly furnish a copy of the transcript to each board member who did not attend the hearing and, if necessary, to other board members, the board attorney and the hearing officer. Exhibits that were provided to persons at the time of the hearing need not be supplied again.

D. The board shall reach its decision on the proposed regulatory change within 60 days after the later of the close of the record or the date the hearing officer's report is filed, if a quorum of the board is available.

The board or hearing officer may require additional notice as appropriate.

F. The board shall issue its decision on the proposed regulatory change in a suitable format, which shall include its reasons for the action taken.

G. The board's written decision is the official version of the board's action and the reasons for that action. Other written or oral statements by board members are not a part of the board's official decision or reasons. [20.11.82.32 NMAC - N, 8/11/08; 20.11.82.32 NMAC - Rn & A, 20.11.82.31 NMAC, 10/15/12]

The movant shall file the motion at least 15 days before the next regularly scheduled board meeting. At the beginning of the next regularly scheduled board meeting, the board shall appoint a hearing officer. The hearing officer shall preside at the motion hearing, which shall occur before the meeting at which the board makes a final decision regarding the motion.

B. Unless otherwise provided by governing law, the board may grant a stay pending appeal of any regulatory change promulgated by the board. The board may only grant a stay if good cause is shown after a motion is filed and a hearing is held.

C. In determining whether good cause exists for granting a stay, the board shall consider:

- (1) the likelihood that the movant will prevail on the merits of the appeal;
- (2) whether the moving party will suffer irreparable harm if a stay is not granted;
- (3) whether substantial harm will result to another participant; and
- (4) whether harm to the public interest will result.

D. If no action is taken within 60 days after filing of the motion, the board shall be deemed to have denied the motion for stay.
