CALL TO ORDER

Chair Meiklejohn called the meeting to order at 5:31 p.m. Vice Chair Paul, Member Langner and Member Richards were absent. The Chair found that there was no quorum, so the Board was unable to conduct official business. Members present opted to take reports. The following reports were presented:

1. Air Quality Program June Report (provided in advance by EHD; available at <https://www.cabq.gov/airquality/documents/aqp-june-newsletter.pdf>)
2. Report on the Board Attorney's work plan (Board Attorney)
3. Report on the Cumulative Impacts Committee (Rosemary Romero)
4. Report on the logistics to resume in-person meetings (Stephanie Apodaca)
5. Report on the Board's public comment process (Member Reitzel)

The Board afforded two opportunities for public comment. No members of the public provided comment during the meeting. Chair Meiklejohn mentioned that the Board had received a comment via email from Ms. Melissa Martinez regarding open burning in the middle of the night by her neighbor. Because Ms. Martinez did not provide a street address, Chair Meiklejohn stated that the Board would follow up with her to obtain more information.

Lastly, the Board discussed possible future agenda items. Suggested items included:

1. Action on the Board Attorney's work plan
2. Further conversation about returning to in-person meetings
3. Hearing officer Nancy Simmons' recommended decision on the parties' joint motion to remand the permit in the New Mexico Terminal Services permit appeal (July or August)
4. Follow-up on the Board's public comment process (August)

Chair Meiklejohn also noted that the following items have been under discussion in the Board's various committees and the Board would like to move on them in future agenda items throughout the rest of this year:

1. Continuing regular updates on the Cumulative Impacts Committee
2. EHD process for unscheduled performance monitoring
3. Diesel regulation
4. Ozone rules
5. EPA Ozone Advance Program
6. Implementation of DART
7. Follow-up on EHD mobile monitoring trailer
8. Presentation on international air quality standards by Charles Gasprovic

OTHER BUSINESS

Stephanie Apodaca, AQCB Liaison, announced that she is leaving EHD and that this would be her last meeting. Chair Meiklejohn thanked her for her service.

ADJOURNMENT

Chair Meiklejohn adjourned the meeting at 6:23 p.m.

NEXT SCHEDULED BOARD MEETING
