Chair Paul stated that that her understanding was that this item still needed to be voted upon since it was a substanstive change even though it was a simple error. Counsel Sedillo Lopez affirmed that was correct and stated that it is simply a correction of the name of a party on the Amended Order Denying Motion for Stay. Member Armijo moved to approve the change in name and Vice Chair Richards seconded the motion. The motion passed by the following vote:

For: 7-Armijo, Calman, Eberlein, Galewsky, Lewis, Richards, Paul

Chair Paul stated that there was also a joint motion from the parties regarding the deadlines in the hearing process, she then asked Hearing Officer Virtue to give his report and extension request. The previous deadline for concluding the pre-hearing process was July 30, Hearing Officer Virtue stated that he would like to have the deadline moved to the end of August.

Vice Chair Richards asked about whether Spanish interpretation would be available at the July 19th public input session and Hearing Officer Virtue responded that it is his intent to have interpreters available for the session and is discussing it with the board Liaison Ms. SdeArmijo and EHD. Member Lewis brought up a concern she had about if there has been wide enough notice of the public input session. Hearing Officer Virtue responded that per his order notice was given in several mediums such as the Air Boards webpage, the listserv and the Albuquerque Journal. However due to technical difficulties on the side of the Journal the notice will not be published until July 13, 2023 edition. Member Lewis suggested sending out the notice to all of the community associations as well.

Hearing Officer Virtue stated that he was considering postponing the July 19th public input session. However, Chair Paul suggested holding a second public comment opportunity since

notice has already been sent out and location preparations have already been finalized for that session.

Chair Paul called for a ten minute break at 7:05 and the meeting resumed at 7:15pm.

After hearing input and concerns from the parties and a lengthy discussion, the Chair Paul clarified that the hearing officer has flexibility for dates that are not already set and that having a second public comment opportunity with more notice would be good idea.

Member Galewsky logged off zoom.

Vice Chair Richard made a motion to extend the deadline for the last pre-hearing meeting to August 31st, 2023, Member Lewis seconded the motion. The motion passed by the following vote:

For: Armijo, Eberlein, Lewis, Richards, Paul

Chair Paul stated that this Notice was filed by Mr. Pete Domenici and that he indicated that it was not to ask the Board or Hearing Officer to take action but it was only to raise concerns. Chair Paul then asked Counsel Sedillo Lopez for her opinion. Counsel Sedillo Lopez stated that it is the county rules that governs the terms for Vice Chair Richards since she is appointed by the county. She also stated that the county rules don't have a time frame of where one year partial term counts as a full-term like the city and that the rule to allow for unlimited terms was passed more recently than the conflicting rule governing the air board.

Counsel Sedillo Lopez also stated that she reached out to Ms. Julie Anne Baca the operations manager for the county to get more information. According to Ms. Baca the county commission appointed Ms. Richards to fill the unexpired term of Dr. Josephine Lopez on 1/22/2019. Then the County Commission appointed Ms. Richards to serve her first full 3 year term from May 2020 to May 2023 and then to serve her second term from May 2023 to May 2026. This was reflected on the Action Summaries of the county commission meetings.

Chair Paul asked Vice Chair Richards for confirmation of what Counsel Sedillo Lopez said. Vice Chair Richards did confirm that what Counsel Sedillo Lopez said is what happened. Counsel Sedillo Lopez asked for Ms. SdeArmijo to display the Action Summaries for everyone to see for a moment. Chair Paul stated that there was no action to take regarding this issue and moved onto the next agenda item.
