

Proposed Rule of Order

The Chair of the Air Quality Control Board may present a Consent Agenda to the Board as part of the regular agenda at the beginning of the meeting. Items may be removed from the consent agenda on the request of any one member. Items not removed from the Consent Agenda may be adopted by general consent without debate. Removed items may be taken up either immediately after the consent agenda or placed later on the agenda at the discretion of the Chair. The purpose of this Rule is to move quickly through routine and non-controversial items.
