---

### **CALL TO ORDER**

Danny Nevarez called the meeting to order at about 5:40 p.m.

### **ITEM #1: GOAL SETTING**

Dr. Chelle Stringer facilitated a discussion in which participants suggested goals for the Coalition to work toward in the future. Based on input from participants, Dr. Stringer kept written notes of ideas and proposals for specific goals.

The ideas discussed will be subject of further consideration at future Coalition meetings.

Dr. Stringer stated that her notes would be made available to all participants in the discussion following the meeting.

Interested persons may obtain a copy of Dr. Stringer's notes by visiting the Air Quality Coalition Page at [cabq.gov/airquality/stakeholder-meetings/air-quality-coalition](http://cabq.gov/airquality/stakeholder-meetings/air-quality-coalition)

### **ITEM #2: PRESENTATION BY DR. KATHRYN KELLY**

Dr. Kathryn Kelly presented data on air quality and human health in Albuquerque and Bernalillo County. Following her presentation, Dr. Kelly responded to questions and comments from the audience.

### **OTHER BUSINESS**

The coalition held a general discussion of air quality concerns in the city-county area.

Members of the Albuquerque – Bernalillo County Air Quality Control Board left the meeting in order to allow discussion of issues that may come before the Board.

### **ADJOURNMENT**

Danny Nevarez adjourned the meeting at around 8:05 p.m.
