CALL TO ORDER

Acting Director, Danny Nevarez called the meeting to order at 5:39 pm and introduced Ms. Sarita Nair, the City of Albuquerque's Chief Administrative Officer, and Mr. Phillip Clelland, Parks and Recreation, Public Information Officer.

Ms. Nair welcomed the Coalition on behalf of Mayor Tim Keller and expressed the Administration's support in the Coalition. She conveyed that a lot of listening needs to happen and we need to be more pro-active with Air Quality matters.

Mr. Phillip Clelland shared that Mayor Tim Keller is supporting Mayors across the country who are working together to meet climate goals.

ITEM #1: Isreal Tavarez Modeling/Cumulative Impacts Presentation Mr. Isreal Tavarez, Air Quality Permitting Division Manager, presented an overview of the cumulative impact process as it relates to Air Quality Stationary Source Modeling for common pollutants. Mr. Tavarez discussed and demonstrated how the modeling process ensures that ambient air standards are protected.

ITEM #2: Dan Gates-Biomass Presentation

Mr. Dan Gates, Senior Environmental Health Scientist, presented a general review of local Ambient Air Monitoring data and the potential impact of wood burning on residents of Bernalillo County. The presentation included a significant literature search of available scientific studies to evaluate the possible influence of wood smoke specifically in the South Valley area of Bernalillo County.
