bus drivers have more training in this area. Member O'Hare acknowledged Mr. Lawler’s complaint, and stated she would forward his complaint to Albuquerque Ride Supervisor Sandra Saiz. She will follow up with Mr. Lawler by e-mail. Member McNiven suggested Mr. Lawler write a letter to the City’s transit department and the Mayor outlining his complaint.

Public comment was received from Michael Scott who presented information about his program BuckleDown Systems, LLC and how his program could help the City. Mr. Scott pointed out that the City has about 27,000 buckled sidewalks. The board directed Mr. Scott to direct his question to the Department of Municipal Development.

ITEM 3: DISCUSSION ON STRATEGY FOR FOLLOW-UP ON ADA COMPLIANCE LETTER SENT TO MAYOR KELLER
Chair Cushnyr advised that Mr. Hummell delivered the board’s signed letter to the Mayor’s office approximately three weeks ago, and there has been no response from the Mayor’s office as of the date of this board meeting. Chair Cushnyr asked for suggestions from the board on how the board could follow up, and the board agreed to have Chair Cushnyr send out a follow up e-mail to the Mayor’s office. Chair Cushnyr agreed to update the other board members by e-mail as to what she found out in regards to the letter.

Not all of the board’s members have reviewed the Rules and Regulations for the Americans with Disabilities Act Advisory Council of the City of Albuquerque drafted by Mr. Zarr. Chair Cushnyr inquired about “attendance” being inserted in the proposed Rules and Regulations. Mr. Zarr said he would incorporate a reference pertaining to attendance in to the proposed Rules and Regulations. Member McNiven asked about adding a reference that all drafted documents be provided in advance of the meetings so that persons with disabilities have adequate time to review them prior to the meeting. Chair Cushnyr suggested that all persons planning on presenting at an ADA Board Meeting should be required to provide their materials in advance so that persons with disabilities can review
them prior to the meeting. Mr. Zarr said he would incorporate a reference about this in to the draft Rules and Regulations. Member O’Hare suggested the board add a reference that the Rules and Regulations are subject to changes by the ADA Board. Mr. Zarr said he would incorporate a reference about changes to the Rules and Regulations by the board. Member McNiven suggested adding language about sign language interpreters being present at all ADA Board Meetings regardless of whether or not a request for a sign language interpreter had been made. Mr. Zarr said he would look into this.

Chair Cushnyr inquired about a full time minute taker for the ADA Advisory Board. Mr. Zarr said he would inquire with the City Attorney about a full-time minute taker.

**ITEM 6: ADA EVENTS**

Member O’Hare is interested in having the ADA host community events in July or October, which are months with ADA recognized days. Member McNiven seconded this idea and talked about the Disability Culture Center of Las Cruces. Member McNiven suggested the board contact the Disability Culture Center to see what their group does and maybe invite them over for a visit and let them showcase what they are doing. Member O’Hare suggested an ADA awareness display in the Mayor’s office for the month of October. Member Smith suggested doing a disability learning day to have community members experience how it is to have a disability – i.e. set up obstacles for community members to attempt while blindfolded or in a wheelchair. Member McNiven suggested hosting a film festival in the Civic Plaza and showcasing disability related films. Chair Cushnyr suggested compiling a list of activities and have the ADA Board present them to the Mayor and City Council to see if they would be willing to work collaboratively on any of the suggested activities. Member O’Hare expressed concern with having the Mayor and City Council pick which event to back; Member O’Hare thinks the ADA Board should suggest the event.
