There is so much to see at the ABQ BioPark Zoo! Sprinkled in among the native and exotic animals, you can find a lot of public art. Public art is artwork that is made to be in public spaces and enjoyed by everyone in the community.

Albuquerque's 1% for Art Program began in 1978, and is one of the oldest programs in the United States. The art is paid for through 1% of voter-approved bonds. There are more than 700 pieces in our public art collection, and you can see some of them at the Zoo.
