NOTIFICATION OF DECISION

JIM SCHWAR & SUE QUEEN (MICHAEL WEWERKA, AGENT) request(s) a special exception to Section 14-16-2-6(e)(1): a VARIANCE of 10' to the 20' front yard setback area requirement for a proposed addition on all or a portion of Lot(s) 22, Block(s) 7, SUNSET TERRACE ADDN zoned R-1, located at 1036 PRINCETON DR NE (J-16)

Special Exception No:..... **10ZHE-80396**
Project No: **Project# 1008620**
Hearing Date: 01-18-11
Closing of Public Record: 01-18-11
Date of Decision: 01-31-11

STATEMENT OF FACTS: The applicant, Jim Schwar & Sue Queen, request a variance of 10' to the 20' front yard setback area requirement for a proposed addition. Michael Wewerka, agent for the applicant, testified that it is their desire to construct a single car garage with a second story above it. It will be used as a caregivers quarters and will be approximately 350 square feet. There will be outside access to the second story.

When asked how this lot was exceptional as compared to other parcels in the vicinity, Mr. Wewerka stated that it is a normal size lot with a large tree in the front. The Zoning Ordinance provides that a variance is to be granted only under unusual circumstances. An applicant is required to demonstrate that he/she is unable to comply with the Zoning requirement as a result of some physical exceptional parcel conditions which cause unnecessary hardship. This applicant has not shown that this request meets the exceptionality standard. Having been unable to meet this standard, it is therefore unnecessary to inquire any further.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is not exceptional as compared to other parcels in the vicinity and, therefore, it does not meet the test for the granting of a variance as provided for by Section 14. 16. 4. 2. The proposed use to provide living quarters for a caregiver for a special needs child, the applicants will be raising, is certainly laudable; however, this endeavor needs to be accomplished in a way that does not interfere with the neighbor's enjoyment of property. I further find that the regulations do not produce an unnecessary hardship in that it will not limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Finally, the variance will significantly interfere with the enjoyment of other land in the vicinity and is inconsistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Denied.

If you wish to appeal this decision, you may do so by 5:00 p.m., on February 15, 2011 in the manner described below:

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
