LADISLADO ARCINIEGA request(s) a special exception to Section 14-16-2-6(B)(14)(a)(2): a CONDITIONAL USE to allow a wall over 3' in height in the front yard setback area for a proposed 5' high wall on all or a portion of Lot(s) 248, Block(s) 12, ATRISCO VILLAGE UNIT 1 OF HOFFMAN CITY zoned R-1, located at 1223 APODACA ST SW (M-8)

Special Exception No:..... *IR* 11ZHE-80042
Project No: Project# 1008708
Hearing Date: 04-19-11
Closing of Public Record: 04-19-11
Date of Decision: 04-25-11

This matter was heard on April 19, 2011.

STATEMENT OF FACTS: The applicant, Ladislado Arciniega, requests a conditional use to allow a wall over 3' in height in the front yard setback area for a proposed 5' high wall. Omar Arciniega, son of the applicant, testified that his father has owned and resided on this property for approximately seven years. Mr. Arcineiga stated that the existing 3' high cinder block wall was permitted by the City of Albuquerque in June, 2010. If this request is approved, an additional two feet of wrought iron will be placed on top of the existing wall. This portion of the wall, which exceeds three feet, will be essentially open which provides good visibility. There is a letter in the file from the Traffic Engineer's Office that indicates no obstruction to the clear sight requirements. The applicant was advised that, if approved, clear sight must be maintained and that vehicles, dumpsters, or landscaping that may mature and cause an obstruction to clear sight may not be placed next to this wall. The yellow sign was posted.

There are two letter of opposition noted in the file. Both letters are from neighbors who have concerns regarding clear sight issues. As noted, the Traffic Engineer has determined that this wall will not interfere with the clear sight requirements.

Based on all of the testimony and a review of the entire file as well as the recordings, it is determined there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this request complies with Section 14.16.4.2.(C).1., for the granting of a conditional use upon a finding that the proposed use will not cause injury to the neighborhood, adjacent property or the community, nor will it be damaged by surrounding structures. For reasons stated above, this request is approved.

DECISION: Approved with conditions.

CONDITIONS: The applicant must comply with any and all requirements made by the City Traffic Engineer in that clear sight must be maintained. Vehicles, dumpsters, or

landscaping that may mature and cause an obstruction to clear sight may not be placed next to this wall.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

If you wish to appeal this decision, you may do so by 5:00 p.m., on May 10, 2011 in the manner described below:

Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
