NOTIFICATION OF DECISION

MARIA C. OCAMPO request(s) a special exception to Section 14-16-2-6(B)(14): a CONDITIONAL USE to allow a wall over 3' in height in the front yard setback area for a proposed 6' high wall on all or a portion of Lot(s) 15, Block(s) 16, WAGGOMAN & DENNISON ADDN zoned R-1, located at 321 GENERAL SOMERVELL ST NE (K-20)

Special Exception No:..... *IR* 12ZHE-80009
Project No:..... Project# 1009101
Hearing Date:..... 02-21-12
Closing of Public Record:..... 02-21-12
Date of Decision: 03-01-12

STATEMENT OF FACTS: The applicant, Maria Ocampo, requests a conditional use to allow a wall over 3' in height in the front yard setback area for a proposed 6' high wall. Ms. Ocampo testified, at the hearing, that she has owned and resided on this property for approximately seven years. If approved, the proposed wall will be constructed to serve as protection for her family and pets.

There were three neighbors who testified in opposition to this request. Christopher Baca and Dorma Roybal Jordan have concerns regarding clear sight hazards. Richard Butterfield has concerns about there not being many other fences/walls in the neighborhood.

There is a letter in the file from the Traffic Engineer's Office that indicates no obstruction to the clear sight requirements. The applicant was advised that, if approved, clear sight must be maintained and that vehicles, dumpsters, or landscaping that may mature and cause an obstruction to clear sight may not be placed next to this wall. The yellow sign was posted.

Based on all of the testimony and a review of the entire file, it is determined there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this request complies with Section 14.16.4.2.(C).1., for the granting of a conditional use upon a finding that the proposed use will not cause injury to the neighborhood, adjacent property or the community, nor will it be damaged by surrounding structures. For reasons stated above, this request is approved.

DECISION: Approved with conditions.

CONDITIONS:

1. The wall will be 3' block with 3' of non-obstructive material above where it impedes the 11' clear sight triangle.

2. A rolling gate is also approved by the Traffic Engineer considering it will not open into the flow of pedestrian traffic.

3. The applicant must comply with any and all requirements made by the City Traffic Engineer in that clear sight must be maintained. Vehicles, dumpsters, or landscaping that may mature and cause an obstruction to clear sight may not be placed next to this wall.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

If you wish to appeal this decision, you may do so by 5:00 p.m., on March 16, 2012 in the manner described below:

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Deputy Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not

constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
