NOTIFICATION OF DECISION

CAERLLION THOMAS request(s) a special exception to Section 14-16-3-3(B)(2)(e): a VARIANCE of 5.5' to the 10' distance separation requirement between a dwelling unit and a proposed accessory living quarters on all or a portion of Lot(s) 1-A, Block(s) 31, RAYNOLDS ADDN zoned SU-2 MFR, located at 501 12TH ST SW (K-13)

Special Exception No:..... **11ZHE-80168**
Project No: **Project# 1008876**
Hearing Date: 08-16-11
Closing of Public Record: 08-16-11
Date of Decision: 08-25-11

STATEMENT OF FACTS: The applicant, Caerllion Thomas, requests a variance of 5.5' to the 10' distance separation requirement between a dwelling unit and a proposed accessory living quarters. Ms. Thomas testified, at the hearing, that she has owned this property since October, 2010. She stated that her lot is exceptional because it is a corner lot and is also smaller than other lots in the area. If approved, the applicant intends to convert the existing garage into accessory living quarters. There will be no expansion to the existing footprint and will not be used for rental purposes. Ms. Thomas indicated that there is adequate parking and will have no negative impact on the neighborhood. There is an e-mail from the Reynolds Addition Neighborhood Association stating they have no opposition to this request. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity because it is a corner lot and is smaller than other lots and, therefore, it meets the test for the granting of a variance as provided for by Section 14.16.4.2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Approved with conditions.

CONDITIONS:

- a. The applicant may not, now or in the future, offer this accessory structure as a rental unit. Occupants may only be family members. No exceptions.
- b. Should the property become marketable, this accessory structure may not be advertised as a potential rental unit.
- c. This accessory structure may only be used as a guesthouse without a second kitchen and without a meter for separate utilities.
- d. There may be no expansion to the footprint of the existing garage that will be converted to this accessory structure.
- e. This approval will be immediately vacated if the applicant does not comply with these conditions.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number.
