portion of Lot(s) W 50' OF LOT 8, Block(s) 3,
GENTRY ADDN zoned R-1, located at 605
LOS ARBOLES AVE NW (G-14)

STATEMENT OF FACTS: The applicant, John Friedman, requests a status established building review to allow three separate dwelling units. Doug Crandall, agent for the applicant, testified in regards to this matter at the September 20, 2011 ZHE Hearing. However, this matter was deferred because of a letter of opposition that was received by this office while the hearing was taking place. It was important that the applicant and agent had opportunity to respond to this opposition. At the initial hearing, Mr. Crandall testified that these three separate dwelling units were constructed between 1928 and 1940. He stated that the owner purchased this property in 2010 at which time the units were all occupied. There is adequate parking and open space on the property. The property is adequately maintained and the current owner is making renovations on the dwelling unit in the rear of the property. Each unit has separate utilities.

Mr. Crandall responded to the letter of opposition from Mr. Schroeder indicating that he does own the property to the west of this parcel, but does not reside on the property. Mr. Crandall does not feel that this continued use would be injurious to the neighborhood.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that as provided for in Section 14. 16. 4. 13. (C). of the Zoning Ordinance, the current use of this status established building is nonconforming. The subject property is clearly identified by a site plan and the improvements upon it are accurately depicted. Further, the continuance of the use will not be contrary to the public health, safety or welfare of the community. The use, as currently operated and/or maintained, did not, and the continuance of the use is not likely to, significantly interfere with the enjoyment of, or be injurious to, other land in the vicinity. There will be no significant public purpose served by requiring removal of the use and the use, if continued, will not be damaged by surrounding structures or activities. Finally, continuance of the use does not create a significant disparity between the existing zoning and the status established building.

DECISION: Approved with conditions.

CONDITIONS: Any alteration of up to 25% to the total square footage of the existing dwellings will require a separate application for Special Exception for Expansion of Non-Conforming Use. This approval will be immediately vacated if the applicant does not comply with these conditions.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

If you wish to appeal this decision, you may do so by 5:00 p.m., on November 9, 2011 in the manner described below:

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
