NOTIFICATION OF DECISION

MATT COAN request(s) a special exception to Section 14-16-3-3(B)(2)(e): a VARIANCE of 2' 6" to the 10' distance separation requirement between a dwelling unit and an existing garage on all or a portion of Lot(s) 3, Block(s) 10, RIDGE PARK ADDN zoned R-1, located at 1808 TRUMAN ST NE (J-17)

Special Exception No:..... **11ZHE-80165**
Project No: **Project# 1008876**
Hearing Date: 08-16-11
Closing of Public Record: 08-16-11
Date of Decision: 08-19-11

STATEMENT OF FACTS: The applicant, Matt Coan, requests a variance of 2' 6" to the 10' distance separation requirement between a dwelling unit and an existing garage. Mr. Coan testified, at the hearing, that he has owned this property for approximately two years. The applicant stated that his lot is exceptional because of its irregular shape caused by the curve of the street in front of the property. Both structures on this property were pre-existing at the time of purchase. There is a letter from the neighbors directly to the north of this property that supports this request. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity and, therefore, it meets the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Approved.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.
